Die Covid-19-pandemie het hierdie jaar alle instansies gedwing om nuwe maniere te vind om saam dinge te doen en spesiale geleenthede te vier. Die Primêre Skool Universitas in Bloemfontein, beter bekend as Tjokkies, het, anders as in die verlede, hul graad 1- ope dag in die buitelig gehou en deur middel van 'n deurry-geleentheid nuwe leerders verwelkom. Vriendelike onderwysers en leerders wat soos narre aangetrek was, het voornemende Tjokkies by die hek ontvang.

Daar het 'n heerlike karnavalatmosfeer geheers, wat ook een van Tjokkies se feesjaar-temas van die jaar was. Tjokkies is vanjaar 50 jaar oud.

Volgens die skoolhoof, Neels Gunter, is die gedagte van 'n deurrydag gebore uit die kreatiewe denke van onderwysers nadat die Covid-19-pandemie nuwe planne genoodsaak het.

"Ek glo dat dit 'n uiters suksesvolle dag

was en het daar lekker interaksie met die nuwe ouers en die nuwe Tjokkies plaasgevind het; iets wat in die verlede effens ontbreek het. Met hierdie dag kon elke ouer en kind die nuwe onderwysers van aangesig tot aangesig ontmoet."

Graad 1-departementshoof, Janah Posthumus, het aan *Bloemfontein Courant* gesê omdat 2020 so anders was, het hulle besluit dat hulle steeds 'n ope dag wil hou en dit 'n baie spesiale dag wil maak. "Die kinders het tred verloor met die realiteit; hulle

besef nie dat hulle eintlik op pad is groot skool toe nie omdat die jaar soveel onderbrekings gehad het." Dit is 'n dag wat die kleintjies nie sommer gou sal vergeet nie. Gunter sê dat die skool beslis soortgelyke dae in die toekoms sal oorweeg.

Die Hoërskool Fichardt se leerderraad van 2021 het onlangs hulle leerderraad-baadjies ontvang.

Relebohile Tomane, a Grade 6 at St Michael's School for Girls in Bloemfontein, is the winner of tap dance in the Free State, in the 11-12 year age group. She also received the runner-up title for ballet (80%).

## Mix up with learners' names

In *Bloemfontein Courant's* edition of Thursday 24 September 2020, the names of the St Michael's School leaders were confused with those of the school's SeMeSter leaders for 2021. This error was corrected in the edition of 1 October 2020. The publication would like to apologise for any inconvenience caused by the mix up.
