MINING RIGHT APPLICATION: WOLWEKOP HARD ROCK QUARRY OUTSIDE MIDDELBURG, EASTERN CAPE.

Please find attached Hard Rock Quarry Mining Right Applications for the existing Wolwekop quarry outside Middelburg, Eastern Cape. As SANRAL is the applicant, the Application form and Scoping Report is omitted and only the EMPr is submitted as the application. Attached to this letter is the SANRAL quarry rehabilitation financial guarantee as well as the confirmation letter that SANRAL is the applicant.

As per your letter dated 2 July 2012, attached is an additional hardcopy and 6 more electronic copies (CD) of the proposed N9 road rehabilitation BAR for which the quarry is applied for and which was submitted to the Department of Mineral Resources earlier this month.

Please can you supply me with a DMR reference number as SAHRA (the South African Heritage Resource Agency) has already requested it. Please be aware that both the Heritage Impact Assessment & Paleontological Impact Assessment has already been forwarded to SAHRA for comment as per SAHRA regulations.
