RE: SUBMISSION OF NEEDS AND DESIRABILITY FORM FOR AUTHORISATION FOR THE UNLAWFUL COMMENCEMENT OF LISTED ACTIVITIES FOR OLDE WORLD FOUNDRY SITUATED AT 26 ANDERSON ROAD SPURWING INDUSTRIAL PARK HAMMERSDALE, LOCATED WITHIN THE ETHEKWINI MUNICIPALITY (REFERENCE DM/S24G/0001/2016).

Dear Bernadet Pawandiwa,

As per our telephonic discussion and the messages loaded onto SAHRA for the above-mentioned project, please take note that this project is for a Section 24G rectification application. Therefore, it is an existing Foundry that requires an Air Emissions License.

Page 3 of 4 Nature of Development is therefore, not applicable.

Please find attached the originally completed Needs and Desirability form with appendices and one electronic copy.

Best regards,
