Dear Sikhumbuzo,

I have consulted on this matter. In your letter of notification (accompanying the EA) , it must be stated that the notification period will commence on the date the EA was received, (*i.e. the 20 days of notification will commence on the day you received the EA*). This is due to the delay in the EA being sent out by the Department later than the date indicated on the EA. When you send the notification letter out, please include us and CC the appeals unit as well.

I hope that this will be able to clarify this matter.

Regards

Good Morning Ms Mogorosi

Hope you are well. Just checking if you've heard anything further from your supervisors regarding the matter.

Thanking you in anticipation of your response.

KIND REGARDS
