DRAFT ENVIRONMENTAL SCOPING REPORT FOR THE PROPOSED LETSOAI CSP 1 PROJECT, SUTHERLAND, NOTHERN CAPE.

The Department of Water & Sanitation (DWS) hereby acknowledges receipt of the Draft Environmental Scoping Report for the proposed Letsoai CSP 1 Project, Sutherland, Northern Cape.

The Department takes note of the proposed activity and therefore provides the following comments:

- Indicated on page 48 of the above mentioned report, water will be sourced form Sedibeng Water. Please note that an agreement between the applicant and Sedibeng Water should be submitted to the Department.
- Any spillage of any hazardous materials including diesel that may occur during construction and operation must be reported immediately to this Department.\
- All sewage and grey water, as well as any waste generated during the construction phase of the facilities will be collected, contained and disposed of at the permitted and / or licensed facilities of the Local Authority and this must please be confirmed in writing by the local authority.

Please feel free to contact this department, should there be any enquiries.

Yours sincerely,

CEO (ACTING): ORANGE PROTO-CMA
