Dear Sir/Madam

**Letter for Exemption request: Building of Education Centre at the Voortrekker Monument Heritage Site on the Farm Groenkloof 358 JR, Pretoria District**

This serves to confirm that the above-mentioned matter was discussed by the PHRA-G Heritage Impact Assessment (HIA) Committee on Wednesday, 16 April 2014.

After reviewing your application, the Committee has made the following comments:

- The site was noted as significance National Heritage Site, therefore the South African Heritage Resources Agency (SAHRA) must be consulted.
- It was felt that the proposed development might affect the character of the site; therefore SAHRA's comments are crucial.
- A full Heritage Impact study (HIA) is requested plus the Public Participation report where all relevant Interested & Affected Parties must be consulted. PHRA-G must also be furnished with the report/s for further adjudication.

Kind Regards

.....  
Tebogo Molokomme
