Dear Mr Mokoena,

**RE: REQUEST TO ACCESS THE SITE TO CONDUCT TEST ON SAMPLES –  
EKUSENI YOUTH CENTRE – PORTION 1 OF FARM KNOWSLEY NO. 8926**

Your letter of 22 August 2018 refers.

Permission is hereby granted to you to conduct tests at the above mentioned site on condition that:

1. Your access to the site in question does not interfere in any way with the safety of **the Centre**, officials and any other human being residing therein.
2. Your access does not cause damage to any property belonging to the State or employees thereof.
3. The final approval and logistics of your site access is determined by the delegated Department of Correctional Services officials.
4. You acknowledge that permission to access the site does not imply that you have been given permission to conducting mining services on site and that it will not be construed as meaning that the State will in future give him such permission.
5. You acknowledge that you and your company and associates will be liable for any damage caused to the State property or any injury cause to Government employees or associates thereof and any other people on site.

Please contact me for any clarity or more information on this matter.

Regards

**DIRECTOR GENERAL**
