SAHRA reference: Robben Island Sewage Package Plant (Excavation Permit)

Landowner's / Custodian consent for the four test holes to be excavated on Robben Island as part of the proposed Sewage Package Plant

The Department of Public Works has appointed Camdekon Engineers cc to undertake the construction of the Sewage Package Plant on Robben Island. As part of the planning and design of the project, four test pits have to be excavated on site in order to establish the geotechnical conditions on the site.

As the landowners /custodian, the National Department of Public Works hereby acknowledges that we are aware of the project and the proposed excavation of four test pits on site and hereby give consent for the four test pits to be excavated on site.

Kind regard
