Dear Sir / Madam

### COMMENTS ON THE PROPOSED RESIDENTIAL DEVELOPMENT: REIGER PARK DELMORE EXT 7, BOKSBURG

The Department acknowledges receipt of the application for the above-named development.

The Department, after reviewing the application wishes to make the following comments:

- The applicant must submit a letter from the Water Services Provider (Erwat), stating the acceptance of the increased flow, and/ or their commitment that increased flow and load will be handled accordingly.
- The applicant must submit certified copies of the radioactivity results or a letter from the National Nuclear Regulator confirming that this area which was previously under mining is safe for township development.
- Under no circumstances should construction takes place within 100 metres of any watercourse and below floodlines.

The Department therefore cannot recommend the approval of the above-named development until the above issues are adequately addressed.

Yours faithfully

  
ACTING HEAD OF REGION
