MTATE MOKWANA MADE MY DREAM TO COME TRUE. My dearest friend and fellow South African's its true that success is not a gift but a decision. It took me a difficult decision to trust and believe after I lost everything that I worked for including business and properties because of fake herbalist and doctors who don't deliver but ask more money every time. I guarantee you that MTATE MOKWANA Will never disappoint but change your life into a new world. I am Andile resident in Nelspruit, after reading testimonies from different news papers people thanking and praising MTATE MOKWANA for the miracles he's done for changing their lives. I decided to contact him because of my big financial problem I had and I chose the SHORT BOYS to put money in my bank account, after waiting a few hours I received a notification from the bank that money was deposited in my account and I paid him without any problems or questions I was very happy and shocked. A week later my wife and my brother in law decided to visit him and my wife chose LUCKY WALLET that she is getting lots of money and she pays a certain amount every time she gets money while her brother choose RATS to put money in his house and MOKWANA guarantee him that he will get the money within in a short space of time which happens exactly the way guarantee him. He paid him back money as discussed. The good news is that all my friends and family members that we introduced to him got 100% results for their problems, my aunt-now is waiting to play money games after MTATE MOKWANA gave her lucky numbers and the date to play. After so many disappointing years without winning and she agreed to play. IT'S YOUR TIME TO MAKE THE RIGHT CHOICE AND YOUR DREAM TO COME TRUE JUST. Thank you Gumede Herbalist for changing my life. My name is Bongani from Nelspruit I am here to testify about Gumede Herbalist for the miracles he has done in my life. I was suffering financially my whole life trying different ways to make my life better as everybody wants his life to be in this world & I was failing to make my life the way I wanted it. Until I read about Gumede. I asked him about his services & he told me about short boys , magic wallet, rats & different money competitions but I chose the shortboys to give me money. I went to his office to collect the shortboys & he explained to me how to use them & I did everything according to his instructions. The next day I opened my bag I was very happy & shocked to see money in my house & I phoned him to ask him what I must do & he told me that its my money & that I can do anything with it but I must only remember that I must pay him a percentage from that money. Now I am enjoying my life. I have opened my own business. So stop suffering my friends & try Gumede Herbalist & I am sure he will change your life as he did mine. Call Gumede **0734869900**

GENERAL NOTICES 4010

NOTICE: PROPOSED MITIGATION OF HUMAN REMAINS AS PART OF THE WIDENING OF NATIONAL ROUTE 1 (HOLFONTEIN TO KROONSTAD)
Notice is hereby given that: PGS Heritage (Pty) Ltd and a local funeral undertaker intends applying in terms of Section 35 and 36 of the National Heritage Resources Act (Act 25 of 1999); and Regulations relating to the management of human remains as set-out by the National Health Act, 2003 (Act 61 of 2003), as well as the relevant local regulations, to the: Provincial Administration of the province in which the graves are located, the South African Heritage Resources Agency (SAHRA) or their legislated provincial agency and the relevant local municipality for approval to exhume and re-inter in a local cemetery the remains currently buried at this location.

1. Approximately 64 graves situated next to the N1 between **Kroonstad and Bloemfontein** at KM mark 40,940. The graves are located in the Bloemfontein Municipality (partly a portion of the farm Deyselsdrif 1644). The coordinates of the cemetery are S27.741007 and E27.231595
The human remains will be exhumed from their current place of burial and reburied in a local municipal cemetery or at a new location as per the request of the deceased's families.
The proposed relocation of the remains is necessitated because of the planned widening of National Route 1 and the construction of an adjacent servitude road.
All persons and communities descendant from the buried individuals, all persons and communities by tradition concerned with the graves or any person or communities with an interest in the graves are invited to participate in the process and must forward their contact particulars to the address listed below within 14 days of the date of publication of this notice:
