<p>AB thanked WvdL and BK for their time and explained the purpose of the meeting.</p>			
<p>AB stressed that her visit formed part of fulfilling the requirements to get environmental approval from the Department of Environment and that Willie de Beer from Transnet would have to arrange a meeting to obtain land use permission and to discuss and agree on compensation for land use. She stated that Transnet would probably conclude a lease or way leave agreement with the owners.</p>			
<p>AB, WvdL and BK studied the map to establish where the borrow pit area in relation to the property Witkop Laagte 124 was.</p>			
<p>WvdL and BK confirmed that they had no objection to Transnet operating a borrow pit on the property, and expanding the borrow pit.</p>			
<p>WvdL stated that all land owners involved should be willing to assist Transnet in this project that would benefit everybody.</p>			
<p>WvdL highlighted that Transnet should treat all land owners equally in terms of land use and compensation agreements and</p>
