

Comments and Response Report (CRR) for the Mining Right Application for Ikwezi Vanadium Pty Ltd.

NW 30/5/1/1/2/10178 MR

Public Meeting was held at a private venue, close to 180 people attended in sessions due to Covid-19 regulations. Attendees were from all the communities in the surroundings of the proposed mine.

The team shared processes and steps to be followed before operations with the community members to have an understanding.

Comments and Response Report for the Ikwezi Mining community information briefing session

| INTERESTED AND DIRECTLY AFFECTED PARTIES | DATE OF COMMENTS RECEIVED | ISSUES RAISED | EAP'S RESPONSE TO ISSUES AS MANDATED BY THE APPLICANT |
|---|---------------------------|---|--|
| Bennet Mamatu | 11 May 20021 | As Ikwezi is waiting for the certificates from DMRE to be able to mine, what is the way forward? We also want to apologise to Ikwezi what we have caused them, because we were misled by individuals who want to fulfil their own agenda. | |
| Magdeline Pheto | 11 May 20021 | Has Ikwezi started working at Lentswe Tshipi? | |
| Mthetheleli Dlamini Bongani Mbopheni Dinake Olebogeng | 11 May 20021 | There is a lot of pressure for youth and adults that need jobs in the community and there are some people who are re-voting against the proposed project. | Ikwezi has undertaken to hire about 100 people in the next two coming months. |
| Thumelani Nqeshe Nomaphimlo Mkinase Dinake Olebogeng | 11 May 20021 | Need clarification on the case of the people who were shot at and injured during the unrest in Mononono. | Ikwezi will have compile a list of all those who were hurt during this time and when time is fine Ikwezi will engage with all the people who were injured during the time of the unrest. But Ikwezi extend their sincere apologies on what happened during the unrest. |
| Tshidi Lebote Porua | 11 May 20021 | I am one of the people who were shot at and injured during the unrest in Mononono if these people will be compensated- my shack was also touched during this time. | |

| INTERESTED AND DIRECTLY AFFECTED PARTIES | DATE OF COMMENTS RECEIVED | ISSUES RAISED | EAP'S RESPONSE TO ISSUES AS MANDATED BY THE APPLICANT |
|---|----------------------------------|---|--|
| Kelebogile Mampu | 11 May 20021 | Will Ikwezi check in terms of age when hiring people at the mine e.g. people at the age 60? | |
| Rakgomo Itseng | 11 May 20021 | In terms of prospecting will Ikwezi have their own Laboratory to give job opportunities to those who have done such courses. | It will be too costly for Ikwezi to own its own Laboratory, rather take samples to Laboratories they use. |
| Simon Molemi | 11 May 20021 | Most of the youth are into drugs because they sit home and do nothing there are no jobs out there. | If it was not the of differences between community and Ikwezi, jobs would have been created. |
| Emmanuel Molefe | 11 May 20021 | Will the mine consider hiring those who hold certificates for driving excavators but with no experience? | Ikwezi have a refresher course for people who have done certain courses but have no experience. |
| Lebogang Mokotedi | 11 May 20021 | Is Ikwezi doing open cast mining or underground. | This will be an open cast mining. |
| Lebogang Mokotedi | 11 May 20021 | Will there be information leading us on where we can leave our CV's. | People can email, WhatsApp and leave their CV's with the security. |
| Ofentse Mokotedi | 11 May 20021 | Our area have network challenges, in terms of job opportunities what if they call and at that time network is down, will Ikwezi keep on calling or? | People will receive sms's, email and they can also phone Ikwezi all the contacts are written on the face masks distributed at the information briefing session meetings. |
| Anastatia Phefo | 11 May 20021 | What change will Ikwezi bring in our community e.g. job and business opportunities. | Ikwezi has undertaken to hire about 100 people in the next two coming months, but Ikwezi need to do things according to processes. |

|--|---------------------------|---|--|
| Kgaugelo Ramokoka | 11 May 20021 | Some of the youth in our communities have matriculated, but they cannot further their studies due to lack of finances. Will Ikwezi help in that regard? | Ikwezi have a programme called HRD to help students in terms of furthering their studies. |
| Tshepo Kwen | 11 May 20021 | It's time that community stop fighting Ikwezi, because majority of people are not working and they need jobs. | |
| Thabang Gouwe | 11 May 20021 | Will villages around Mononono also benefit from the jobs and businesses to be created by the mining operations in the area. | The surrounding villages, Logogolwe Sesfikile, Manamakhotheng, and other surrounding villages are also part of the communities to benefit, but we need to make it clear that Mononono is directly affected that the other villages. The law says the ratio of hiring must be 80% local and 20% people from outside, for now it is the other way round because of the unrests that are going on in the community. |
| Nora Bogatsu | 11 May 20021 | As the mine will be in Mononono, how will other communities' benefit from the mine? | Any mine has a Social Labour Plan budget that take care of the community needs, this is discussed with the Local Municipality as well as the community that what is needed at the time. |
| Bongiwe Mdashe | 11 May 20021 | We are looking forward for the opening of the mine because we can get jobs and have a better life. | |

|--|---------------------------|---|--|
| Keabetswe Karimetsa | 11 May 20021 | Moroleng unemployment structure would like to thank Ikwezi for the invite, this structure would like to have a follow-up meeting with Ikwezi to discuss job opportunities like portable skills e.g a factory where people can do knitting and other things. | The rights Ikwezi is waiting for, will determine if this is feasible. |
| Charmaine Disoeye | 11 May 20021 | The community would like to thank Ikwezi with what the good thing they want to bring to the community, may Ikwezi consider disabled people as they do not have a voice to talk for themselves because of their disability. | |
| Kagiso Mogotlane | 11 May 20021 | What is the lifespan of the mine? | Ikwezi is anticipating to mine for about 30 years minimum. |
| Kagiso Mogotlane | 11 May 20021 | What will happen should if another meeting is called and we experience unrest again. | |
| Yvonne Tabane | 11 May 20021 | Are the minerals to be mined in the area not harmful to human beings. | The minerals are not harmful, they are Vanadium Magnetic and Titanium. |

|--|---------------------------|--|--|
| Mr Chauke | 11 May 2021 | What if the harmful can be experienced during blasting in terms of noise and cracks. | The Blasting Specialist will advise Ikwezi if there will be any damages during blasting, but before operations the same specialists will do their Impact Assessment in terms of noise and to check cracks on the house's prior operations. |
| Mr Chauke | 11 May 20021 | We request that Ikwezi fix the local road that connect to Mononono so that the accidents happening on the R510 can be limited. | Social Labour Plan budget take care of such requests from the community, but that need to be communicated with the relevant department as it is their roads. |
| Mthetheleli Dlamini | 11 May 20021 | There is a rumour that when the mine start operating people will be re-located. | Ikwezi is not aware of relations of relocation of people. |
