PROOF OF WRITTEN NOTIFICATION

KENNISGEWING VAN 'N AANSOEK OM WYSIGING VAN 'N OMGEWINGSMAGTIGING

BEOOGDE ONTWIKKELING VAN DIE DWARSRUG WINDPLAAS NABY LOERIESFONTEIN, NOORD-KAAPPROVINSIE

DO-verw. No.: 14/12/16/3/3/2/690

PROJEKINLIGTING

Ingevolge die Nasionale Wet op Omgewingsbestuur, 1998 (Wet 107 van 1998) (NEMA) (soos gewysig) en die Regulasies op Omgewingsimpakevaluerings (OIE-regulasies), 2014 (soos gewysig), geskied kennis hiermee dat South Africa Mainstream Renewable Power Developments (Edms.) Bpk. (hierna 'Mainstream' genoem) SiVEST SA (Edms.) Bpk. aangestel het as die onafhanklike Omgewingsevalueringspraktisyn (OEP) om aansoek te doen om 'n Wysiging van die Omgewingsmagtiging (OM) vir die bogenoemde projek.

Mainstream is op 28 September 2015 uitgereik met 'n OM vir die beoogde ontwikkeling van die Dwarsrug Windplaas naby Loeriesfontein, Noord-Kaapprovinsie (DO-verwysing 14/12/16/3/3/2/690) wat sedertdien op 12 Oktober 2015 gewysig is (DO-verwysing 14/12/16/3/3/2/690/AM1).

Mainstream beoog nou om 'n Deel 2-wysigingsaansoek in te dien, soos vereis word ingevolge Regulasie 32 van Staatskennisgewing R982 ten einde voorsiening te maak vir wysigings aan die turbinespesifikasies soos geëvalueer in die oorspronklike OIE vir die Dwarsrug Windplaas. Die beoogde wysigings is soos volg:

- Toename in die naafhoogte van turbines: van 150 m na 200 m;
- Groter rotordeursnee: van 150 m na 200 m.

Die aansoek om die wysiging van die OM is op 12 Augustus 2019 by die Departement van Omgewingsake (DO) ingedien. 'n Verslag moet aan alle belangstellende en geaffekteerde partye (B&GP's) en tersaaklike staatsinstansies beskikbaar gestel word.

PROJEKLIIGING

Die beoogde aansoekterrein vir die windplaas is geleë in die Hantam Plaaslike Munisipaliteit. Dit is sowat 60 km noord van Loeriesfontein en sluit die volgende plase in:

- Restant van die plaas Brak Pan 212;
- Stinkputs North No. 229.

BESKIKBAARHEID VAN DIE KONSEP OMGEWINGSMAGTIGING (OM) WYSIGINGSEVALUERINGS- VERSLAG VIR INSAE

Die Konsep Omgewingsmagtiging (OM) Wysigingsevalueringsverslag vir die windplaas sal aan alle geregistreerde belangstellende en/of geaffekteerde partye (B&GP's) beskikbaar gestel word.

Om as 'n B&GP te registreer en/of om meer inligting te bekom, moet u asseblief u naam, kontakbesonderhede en die belang wat u by die aansoek het by SiVEST indien by die kontakbesonderhede hieronder:

NOTIFICATION OF AN APPLICATION TO AMEND AN ENVIRONMENTAL AUTHORISATION

PROPOSED DEVELOPMENT OF THE DWARSRUG WIND FARM NEAR LOERIESFONTEIN, NORTHERN CAPE PROVINCE

DEA Ref. No.: 14/12/16/3/3/2/690

PROJECT INFORMATION

In terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA) (as amended) and the Environmental Impact Assessment (EIA) Regulations, 2014 (as amended) notice is hereby given that South Africa Mainstream Renewable Power Developments (Pty) Ltd (hereafter referred to as 'Mainstream') have appointed SiVEST SA (Pty) Ltd, as the independent Environmental Assessment Practitioner (EAP), to apply for an Amendment of the Environmental Authorisation (EA) for the above mentioned project.

Mainstream was issued with an EA for the proposed development of the Dwarsrug Wind Farm near Loeriesfontein, Northern Cape Province on 28 September 2015 (DEA Reference 14/12/16/3/3/2/690) and was subsequently amended on 12 October 2015 (DEA Reference 14/12/16/3/3/2/690/AM1).

Mainstream is now proposing to submit a Part 2 Amendment application as required in terms of Regulation 32 of GN R. 982 to allow for amendments to the turbine specifications as assessed in the original EIA for the Dwarsrug Wind Farm. The proposed amendments are as follows:

- Increased turbine hub height: from 150m up to 200m;
- Increased rotor diameter: from 150m to up to 200m.

The application for the amendment of the EA was submitted to the Department of Environmental Affairs (DEA) on 12 August 2019. A report needs to be made available to all interested and affected parties (I&APs) and relevant organs of state.

PROJECT LOCATION

The proposed application site for the wind farm falls within the Hantam Local Municipality. It is located approximately 60km north of Loeriesfontein and includes the following farms:

- Remainder of Farm Brak Pan 212;
- Stinkputs North No 229.

AVAILABILITY OF THE DRAFT ENVIRONMENTAL AUTHORISATION (EA) AMENDMENT ASSESSMENT REPORT FOR REVIEW

The Draft Environmental Authorisation (EA) Amendment Assessment Report for the wind farm will be made available to all registered Interested and/or Affected Parties (I&APs).

To register as an I&AP and / or to obtain additional information please submit your name, contact details and the interest which you have in the application to SiVEST as per the details below:

SIYATHEMBA MUNICIPALITY

TENDER: TN032/2019

CONSTRUCTION OF 247M MAIN SEWER LINE - PRIESKA

TENDER NOTICE AND INVITATION TO TENDER

The SIYATHEMBA MUNICIPALITY invites tenderers from civil engineering contractors for the **CONSTRUCTION OF 247M MAIN SEWER LINE - PRIESKA**.

It is estimated that tenderers should have a CIDB contractor grading designation of 2CE or higher and must be a B-BBEE level 3 contributor or higher. (Only B-BBEE Level 1, 2 and 3 can submit offers). Contractors registered as potentially emerging (PE) enterprises with the CIDB who are registered in one contractor grading designation lower than that required in terms of the total sum tendered are also eligible to tender.

Only tenderers who satisfy the eligibility criteria stated in the Tender Conditions and Tender Data are eligible to submit tenders.

The Siyathemba Municipality Procurement and Supply Chain Management Policies, the Preferential Procurement Policy framework Act, Act No 5 of 2000 and the regulations promulgated under this act shall apply in the adjudication and awarding of the tender.

A non-refundable tender deposit of R200.00 payable in cash only is required on collection of the tender documents. Tender documents can be collected from iX engineers at 2 Steenbok Avenue, Middelpos, UPINGTON from 17 September 2019. Tender documents will not be available in electronic format.

Queries relating to these documents may be addressed directly to Mr. Herman Schmidt. Tenderers interested in submitting a tender must reserve a tender document from iX engineers at Tel No. (054) 332 4943 or e-mail herman.se@ixengineers.co.za to ensure availability without delay.

A compulsory site inspection meeting with representatives of the Employer will take place at the municipal offices of **Siyathemba Municipality, Victoria Street in Prieska** on **20 September 2019** starting at **11:00 am**. Persons arriving later than **11:00** will not be allowed into the meeting. Only tenderers who attend the compulsory site inspection meeting are eligible to submit tenders.

The closing time for receipts of tender is **12:00** on Friday, **4 October 2019**. Sealed tenders, endorsed with the corresponding tender number and description, must be placed in the tender box in the foyer of **Siyathemba Municipality, Victoria Street, Prieska, 8940**. Please note that the tender box is only available between Monday and Friday from 08:00 to 16:00.

OVK EERSTE WOLVEILING IN SEISOEN

Pryse sak met 28,3 persent

PORT ELIZABETH – Donderdag 5 September 2019 het die eerste wolweiling van die 2019/2020 wolveisoen plaasgevind. Die Cape Wools alle-waer aanwyser het teen 28,3% laer verhandel as die laaste veiling van die vorige seisoen.

Op die OVK veiling is 2865 bale aangebied, waarvan 86,5% verkoop is. Die hoogste prys op die OVK veiling van R154,00/kg is behaal vir 'n 2 baal lot BH van 17,7 mikron uit die skeersel van Ghap Boerdery BK van Britstown.

Nog goeie pryse uit hierdie omgewing by die OVK veiling is behaal deur:

- * HA van Rensburg, Victoria-Wes vir 1 AH van 16,8 mikron teen R143,00/kg
- * Pieter van der Merwe, Richmond vir 1 CL van 15,5 mikron teen R135,00/kg
- * TDJ van Schalkwyk, Richmond vir 1 BBH van 17,3 mikron teen R132,00/kg
- * WA Nolte, Victoria-Wes vir 2 BBFY van 18 mikron teen R132,00/kg
- * Pieter van der Merwe, Richmond vir 3 BH van 16,2 mikron teen R131,00/kg
- * Pieter van der Merwe, Richmond vir 1 AMY van 18,0 mikron teen R128,60/kg

SUSTERS GESING

TWEE susters Jo-Maré en Alana van Wyk het voor die afsluiting van die Logan finaal Saterdag 7 September 2019 die volkslied gesing. Dit het kleur aan die finaal gegee. Hulle is darem goed ondersteun deur die toeskouers en spelers wat ook uit volle bors gesing het. – DR.

SIVEST
Environmental Division

NOTIFICATION OF AN APPLICATION TO AMEND AN ENVIRONMENTAL AUTHORISATION

PROPOSED DEVELOPMENT OF THE DWARSRUG WIND FARM NEAR LOERIESFONTEIN, NORTHERN CAPE PROVINCE

DEA Ref. No.: 14/12/16/3/3/2/690

PROJECT INFORMATION

In terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA) (as amended) and the Environmental Impact Assessment (EIA) Regulations, 2014 (as amended) notice is hereby given that South Africa Mainstream Renewable Power Developments (Pty) Ltd (hereafter referred to as "Mainstream") have appointed SIVEST SA (Pty) Ltd, as the independent Environmental Assessment Practitioner (EAP), to apply for an Amendment of the Environmental Authorisation (EA) for the above mentioned project.

Mainstream was issued with an EA for the proposed development of the Dwarsrug Wind Farm near Loeriesfontein, Northern Cape Province on 28 September 2015 (DEA Reference 14/12/16/3/3/2/690) and was subsequently amended on 12 October 2015 (DEA Reference 14/12/16/3/3/2/690/AM1).

Mainstream is now proposing to submit a Part 2 Amendment application as required in terms of Regulation 32 of GN R. 982 to allow for amendments to the turbine specifications as assessed in the original EIA for the Dwarsrug Wind Farm. The proposed amendments are as follows:

- * Increased turbine hub height: from 150m up to 200m;
- * Increased rotor diameter: from 150m up to 200m.

The application for the amendment of the EA was submitted to the Department of Environmental Affairs (DEA) on 12 August 2019. A report needs to be made available to all interested and affected parties (I&APs) and relevant organs of state.

PROJECT LOCATION

The proposed application site for the wind farm falls within the Hantam Local Municipality. It is located approximately 60km north of Loeriesfontein and includes the following farms:

- * Remainder of Farm Brak Pan 212;
- * Stinkputs North No 229.

AVAILABILITY OF THE DRAFT ENVIRONMENTAL AUTHORISATION (EA) AMENDMENT ASSESSMENT REPORT FOR REVIEW

The Draft Environmental Authorisation (EA) Amendment Assessment Report for the wind farm will be made available to all registered interested and/or Affected Parties (I&APs).

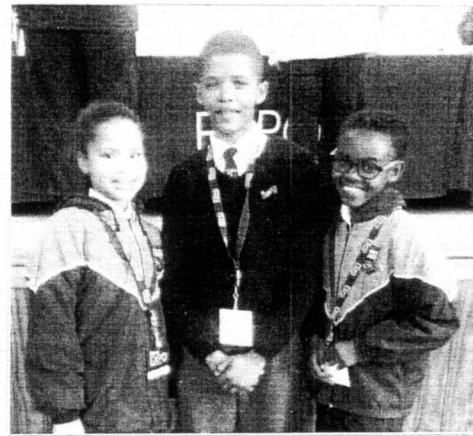

To register as an I&AP and / or to obtain additional information please submit your name, contact details and the interest which you have in the application to SIVEST as per the details below:

KAN MENSE HELP?

KAYDE BEZUIDENHOUDT, Ferdi Matthys en Grace Mattheus is drie leersers van Hantam Laerskool wat van 23 tot 28 September 2019 na Johannesburg moet gaan om aan Eskom se Expo deel te neem. Die koste daarvoor beloop R4 000 per kind. Die Departement van Onderwys het nie fondse om hulle daar te kry nie. Die ouers rig 'n versoek dat mense hul harte en beursies moet oopmaak om die geleentheid vir die kinders moontlik te maak.

DROOGTE OMGEE AKSIE UIT DIE VALLEIE

As ons maar soos U, van beter gewees het

Habakuk sug van H skryf: DIE LANGDURIGE droogte sny diep. Dit neem ons lewens oor. Dit reël ons dae. Dit raak ons mense. Dit raak ons diere. Dit raak ons voortbestaan. Dit raak ons geloofsvertroue. Dit maak ons bang . . . MAAR dan, skielik, soos sagte, koel waterdruppels kom daar woorde van vertroosting en gebare van meelwing en laaf ons langs die steil en harde droogtepad wat ons soms al sleepvoet stap. En so word ons

verkwik en versterk om uit te hou en aan te hou en te vertrou . . .

In die onlangse verlede kom besoek twee bekende Godsmanne ons geweste; bring 'n boodskap van hoop na hier. Angus Buchan herinner einde Julie dat die fisiese reën vroeër of later wel gaan kom, maar dat geestelike reën veel meer nodig is en daarin lê dat ons moet terugdraai na God.

Dr. Isak Burger bring verlede week die inspirerende boodskap van Habakuk met die NOGTANS-uitdaging wat ons aanmoedig om bo-oor teen spoed steeds ons te verbly in die Here, die Een wat ons beoedig en bekragtig in hierdie moeilike tyd.

Medemens reik in hierdie tyd uit na ons. Ons storie vorm deel van die landswe omgeek aksies van mense wat geld en goed beskikbaar maak vir dié in nood. Ons sien die afgelepe naweek tientalle pakkijs afgeleai word uit die Ceres- en Citrusdal-valleie ook om Piketberg-omgewing. Kruideniers-ware en groente en vrugte vir elke landbouer. Lieflieke bederfpakkies vir elke boervrou. Alles, alles met liefde bygeengsit en ingepak, afgevoer om onbaatsugtig en meelwing hier uitgedeel te word – verrassend en bruikbaar en só welkom.

Sondagoggend vroeg op RSG deel Anoeschka van Meck haar kosbare waarnemings van haar belewenisse met droogte-geteisterdes landswyd – boere wat begin om oorgawe bo godsdienstigheid te stel en ook sien sy die lieflike onderlinge omgee en uitreik en hulp wat weer posvat onder ons mense – iets wat half verlore geraak het, Haar boek oor dié ondervindings, Stories van Hoop, gaan binnekort verskyn.

Sondag se nagmaalserediens in die Moederkerk sluit dominee Schalk Theart af met die postiese dankgebed wat hy in die laataand geskep het, genaamd Ons wil net kom sê: O Heer, U weet alles. U weet ons baie vroe (Soms was dit eerder klaf!) Maar tog het U verdra dat selfs elke asemteug geul was met 'n Habakuk-sug: Hoe lank nog? Hoe intens tot onverdraagsaamheid vol? Die wanhoopsvrae van 'n kind. Waarom vra ons nog vir wolke met koue asem geul tot boordensvol? Vir iemand: "Sal God nie 'n slag laat waterloop in die rivier se bed?" Die Sak-, Re-

noster- en Oorlogskloof se stof het versteen tot klip . . . Waar vinke in die fluitjesriet eens gekwetter het tot die nagsang stil word in die kommetjies-strooi, was later geen geluid of sang of lied. Ons wil maar net kom sê: O Heer, dankie vir die geduldighedsvrug wat U saam met die lentebloeisel laat uitstoot. Nie net in die eens droë lote van die amandien, maar ook in die Petrus-gebed: "O Heer, red!" Want min het ons gewet U loop nie net op water nie, maar kom ook op die Hantamstaf in die jare wat was, en deur die oostewind se waai van dooie blaas en sand.

Só, Heer, het U naby ons gekom. U het dit laat oorstoot uit die Ceres-, Piket- en Citrusvalleie oor die Bokkeveld tot teen Reunie en Hantam se voet het die opdrifels van u genade kom vaswaai sodat ons in die viering van die oes ook weer vir die weduwee en wees leer ken. Ons kom deel in hulle oorvloedige gebiedskap wat lank verskuil gelê het toe die riviere nog vol was en die veld toegewas deur die wit van die skaapbos en lammervet.

Ons wil maar net sê: U genade het kom opstoot dat dit waar geword het dat die Vis-, Renoster-, Sak- en Oorlogskloof weer begin loop het, maar, Heer, in 'n opwaartse rigting dat selfs die spruite bo die

Hantamsberg oorgestoot het op die droë en die vergeete.

Ons wil maar net sê: Al het U anders gehoor as wat ons gevra het – U het beter gehoor. Want uit die stof is nie net lewe en mens verwek nie, maar ook die lied. Dit waarvoor ons die minste voor gevra het, het U laat blom in die na-lente se oorvloed. Ons wil maar net sê . . . Ons wil maar net sê: As ons maar soos U van beter gewees het!

78 Jaar gelede

NOORDWESTER: 28 Oktober 1941. Die stadsraad is besig om die bloekombos af te kap by die ou washuis op die ou Loeriesfonteinpad. Baie van die dorpenaars wat Sondag al daar stille uurtjies deurgebring en wat skuiling gesoek het onder die getjilp van die voeltjies in die koele skaduwees sal seker jammer wees dat hulle hierdie somer die genot sal moet mis.

COMMENTS AND RESPONSE REPORT (C&RR)

PART 2 AMENDMENT

**COMMENTS AND RESPONSE REPORT (C&RR) – DRAFT ENVIRONMENTAL AUTHORISATION
(EA) AMENDMENT ASSESSMENT REPORT**

**PROPOSED CONSTRUCTION OF THE DWARSRUG WIND FARM NEAR LOERIESFONTEIN,
NORTHERN CAPE PROVINCE**

**SUMMARY OF ENVIRONMENTAL ISSUES/CONCERNS AND SUGGESTIONS RAISED BY INTERESTED
AND/OR AFFECTED PARTIES (I&APS), STAKEHOLDERS AND ORGANS OF STATE (OoS) / AUTHORITIES**

AUGUST 2019 - SEPTEMBER 2019

Interested and/or Affected Parties (I&APs), stakeholders and Organs of State (OoS) / Authorities who contributed issues ranging across all sectors of society are recorded in this Comments and Response Report (C&RR). Full record of every comment / issue raised is available from the public participation office and is also included in **Appendix B and D4** of the Draft Environmental Authorisation (EA) Amendment Assessment Report. Similar issues raised have been grouped together. The name, affiliation and date of the commentator are also indicated. Technical comments made by the project team are not included in the C&RR.

<p><u>ACKNOWLEDGEMENT OF RECEIPT OF APPLICATION FOR AMENDMENT OF ENVIRONMENTAL AUTHORISATION ISSUED ON 28 SEPTEMBER 2015 FOR THE 140MW DWARSRUG WIND ENERGY FACILITY AND ITS ASSOCIATED INFRASTRUCTURE NEAR LOERIESFONTEIN, HANTAM LOCAL MUNICIPALITY, NORTHERN CAPE PROVINCE</u></p> <ol style="list-style-type: none"> The Department confirms having received your application for EA for the above-mentioned development on the 12 August 2019. Following further review of your application for amendment of environmental authorisation, the Department has come to the following conclusion: Please note that your application for amendment of environmental authorisation falls within the ambit of amendments to be applied for in terms of Part 2 of Chapter 5 of the Environmental Impact Assessment (EIA) Regulations, 2014, as amended. The reason for the above is: Regulation 31 (Part 2 Amendments) of the EIA regulations, 2014 (as amended) states that "An environmental authorisation may be amended by following the process prescribed in this Part if the amendment will result in a change to the scope of a valid environmental authorisation where such change will result in an increased level or nature of impact where such level or nature of impact was not- a) assessed and included in the initial application for environmental authorisation; or b) taken into consideration in the initial environmental authorisation;" Based on the information provided in the submitted application for amendment, the proposed application for amendment seeks to include, as part of the EA with DEA Ref No. 14/12/16/3/3/2/690/AM2 the following: 	<p>Sabelo Malaza Chief Director: Integrated Environmental Authorisations: Department of Environmental Affairs (DEA) Letter via email: 28 August 2019</p>	<p>In light of the DEA's response, an amendment process in terms of Part 2 of Chapter 5 of the Environmental Impact Assessment (EIA) Regulations 2014, as amended, is being followed accordingly. As such, an Environmental Authorisation (EA) Amendment Assessment Report which meets all of the requirements as stipulated in the DEA's acknowledgment letter has been compiled to assess the impacts and implications of the proposed amendments and will be submitted to the competent authority (namely the DEA) for decision-making purposes. An assessment of all impacts related to the proposed amendments is provided in Section 4 of the Draft EA Amendment Assessment Report. The following specialists identified and assessed impacts related the proposed amendments:</p> <ul style="list-style-type: none"> ▪ Avifaunal ▪ Bat ▪ Noise ▪ Visual <p>In addition, confirmation has been obtained from the following specialists noting that the impacts will not change:</p> <ul style="list-style-type: none"> ▪ Agriculture ▪ Biodiversity ▪ Heritage ▪ Socio-economic ▪ Surface Water <p>All specialist assessments and confirmation letters are provided in Appendix C.</p> <p>Landowner Consent is currently being obtained and will be included within the Final EA Amendment Assessment Report.</p>

Amendment	Component	Approved	Proposed
Amendment 1	Hub height from ground level	Up to 150m	Up to 200m
Amendment 2	Rotor diameter	Up to 150m	Up to 200m
Amendment 3	Contact details for the holder of the EA	Mr Michael Mangnall	Mr Eugene Marais

5. Having reviewed the submitted documents and after taking the above-mentioned into consideration, the Department hereby notifies you that the proposed amendment to EA 14/12/16/3/3/2/690/AM2 is considered a change of scope.

6. You are requested to submit the following documents within 90 days of the receipt of this application by the competent authority, as per regulation 32(1) (a) of GN R. 982 (as amended):

- a) A report, reflecting:
 - (i) an assessment of all impacts related to the proposed change;
 - (ii) advantages and disadvantages associated with the proposed change; and
 - (iii) measures to ensure avoidance, management and mitigation of impacts associated with such proposed change; and
 - (iv) any changes to the EMPr.
- b) Confirmation must be obtained from the applicable specialists (as indicated on page 8 of the amendment application) that undertook studies from the original EIA process that there will be no new impacts that will arise from the proposed amendments. The specialists used as part of the original EIA process must provide comment.

The Public Participation Process is being conducted as outlined in Chapter 6 of the EIA Regulation 2014, as amended. Details regarding the Public Participation activities that has been undertaken to date, is detailed in **Section 7** of the Draft EA Amendment Assessment Report.

The EAP will ensure that the timeframes prescribed in terms of Regulation 45 of the EIA Regulations, 2014 (as amended), are met.

The EAP will also ensure that documentation is delivered to the physical address provided and delivered during the official Departmental Office Hours.

<p>c) Landowner consent from:</p> <ul style="list-style-type: none">(i) The landowner of the Remainder of Farm Brak Pan No. 212; and(ii) The landowner of Farm Stinkputs North No. 229. <p>7. You are also advised that the Public Participation Process must be conducted as outlined in Chapter 6 of the EIA Regulations, 2014, as amended.</p> <p>8. Further note that in terms of Regulation 45 of the EIA Regulations, 2014, as amended, this application will lapse if the applicant fails to meet any of the time-frames prescribed in terms of these Regulations, unless an extension has been granted in terms of Regulation 3(7) of the EIA Regulations, 2014, as amended.</p> <p>9. All documentation delivered to the physical address contained in this form must be delivered during the official Departmental Office Hours which is visible on the Departmental gate. EIA related documents (includes application forms, reports or any EIA related submissions) that are faxed; emailed; delivered to Security or placed in the Departmental Tender Box will not be accepted.</p>

Dear Alwyn Muller,

APPLICATION FOR AMENDMENT OF AN ENVIRONMENTAL AUTHORISATION (EA): PROPOSED DEVELOPMENT OF THE DWARSRUG WIND FARM NEAR LOERIESFONTEIN, NORTHERN CAPE PROVINCE

- **DEA Reference Number: 14/12/16/3/3/2/690**

The original environmental authorisation (EA) issued by the Department of Environmental Affairs (DEA) on 28 September 2015 (DEA Reference 14/12/16/3/3/2/690) for the above mentioned project and subsequent amendment of the EA on 12 October 2015 (DEA Reference 14/12/16/3/3/2/690/AM1) refer.

South Africa Mainstream Renewable Power Developments (Pty) Ltd (hereafter referred to as 'Mainstream'), is applying for a Part 2 Amendment of the EA for the abovementioned project. Aspects of the EA which require amendment are as follows:

- Amendments to authorised turbine dimensions to have hub heights of up to 200m and rotor diameters of up to 200m, and
- Amendments to the name and contact details of the holder of the EA.

As an affected landowner, we would like to inform you that the application for amendment of the EA will be submitted to the Department of Environmental Affairs (DEA) in accordance with the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA) – EIA Regulations, 2014 (as amended).

Please be advised that an electronic copy of the application for the amendment of the EA will be forwarded to you as soon as it has been submitted to the DEA.

For further information, please contact SiVEST as follows:

Geagte Alwyn Muller,

AANSOEK OM WYSIGING VAN 'N OMGEWINGSMAGTIGING (OM): BEOOGDE ONTWIKKELING VAN DIE DWARSRUG WINDPLAAS NABY LOERIESFONTEIN, NOORD-KAAPROVINSIE

- **DO-verwysingsnommer: 14/12/16/3/3/2/690**

Die oorspronklike Omgewingsmagtiging (OM) wat die Departement van Omgewingsake (DO) op 28 September 2015 (DO-verwysing 14/12/16/3/3/2/690) vir die bogenoemde projek uitgereik het, en die daaropvolgende wysiging van die OM op 12 Oktober 2015 (DO-verwysing 14/12/16/3/3/2/690/AM1), het betrekking.

South Africa Mainstream Renewable Power Developments (Edms.) Bpk. (hierna 'Mainstream' genoem), doen aansoek om 'n Deel 2-wysiging van die OM vir die bogenoemde projek. Aspekte van die OM wat wysiging verg, is soos volg:

- Wysigings aan gemagtigde turbine-afmetings om oor 'n naafhoogte van hoogstens 200 m en 'n rotordeursnee van hoogstens 200 m te beskik; en
- Wysigings aan die naam en kontakbesonderhede van die houer van die OM.

As 'n geaffekteerde grondeienaar, stel ons u hiermee in kennis dat die aansoek om wysiging van die OM by die Departement van Omgewingsake (DO) ingedien sal word ingevolge die Nasionale Wet op Omgewingsbestuur, 1998 (Wet 107 van 1998) (NEMA) – OIE-regulasies, 2014 (soos gewysig).

Neem asseblief kennis dat 'n elektroniese kopie van die aansoek om wysiging van die OM vir u aangestuur sal word sodra dit by die DO ingedien is.

Dear Mr Thulani Mthombeni,

APPLICATION FOR AMENDMENT OF AN ENVIRONMENTAL AUTHORISATION (EA): PROPOSED DEVELOPMENT OF THE DWARSRUG WIND FARM NEAR LOERIESFONTEIN, NORTHERN CAPE PROVINCE

- **DEA Reference Number: 14/12/16/3/3/2/690**

The original environmental authorisation (EA) issued by the Department of Environmental Affairs (DEA) on 28 September 2015 (DEA Reference 14/12/16/3/3/2/690) for the above mentioned project and subsequent amendment of the EA on 12 October 2015 (DEA Reference 14/12/16/3/3/2/690/AM1) refer.

South Africa Mainstream Renewable Power Developments (Pty) Ltd (hereafter referred to as 'Mainstream'), is applying for a Part 2 Amendment of the EA for the abovementioned project. Aspects of the EA which require amendment are as follows:

- Amendments to authorised turbine dimensions to have hub heights of up to 200m and rotor diameters of up to 200m, and
- Amendments to the name and contact details of the holder of the EA.

As the provincial commenting authority, Northern Cape Department of Environment and Nature Conservation (NC DENC), we would like to inform you that the application for amendment of the EA will be submitted to the Department of Environmental Affairs (DEA) in accordance with the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA) – EIA Regulations, 2014 (as amended).

Please be advised that an electronic copy of the application for the amendment of the EA will be forwarded to you as soon as it has been submitted to the DEA.

For further information, please contact SIVEST as follows:

Geagte Grondeienaar

AANSOEK OM WYSIGING VAN 'N OMGEWINGSMAGTIGING (OM): BEOOGDE ONTWIKKELING VAN DIE DWARSRUG WINDPLAAS NABY LOERIESFONTEIN, NOORD-KAAPPROVINSIE

- **DO-verwysingsnommer: 14/12/16/3/3/2/690**

Die oorspronklike Omgewingsmagtiging (OM) wat die Departement van Omgewingsake (DO) op 28 September 2015 (DO-verwysing 14/12/16/3/3/2/690) vir die bogenoemde projek uitgereik het, en die daaropvolgende wysiging van die OM op 12 Oktober 2015 (DO-verwysing 14/12/16/3/3/2/690/AM1), het betrekking.

South Africa Mainstream Renewable Power Developments (Edms.) Bpk. (hierna 'Mainstream' genoem), doen aansoek om 'n Deel 2-wysiging van die OM vir die bogenoemde projek. Aspekte van die OM wat wysiging verg, is soos volg:

- Wysigings aan gemagtigde turbine-afmetings om oor 'n naafhoogte van hoogstens 200 m en 'n rotordeursneë van hoogstens 200 m te beskik; en
- Wysigings aan die naam en kontakbesonderhede van die houer van die OM.

As 'n geaffekteerde grondeienaar, stel ons u hiermee in kennis dat die aansoek om wysiging van die OM by die Departement van Omgewingsake (DO) ingedien sal word ingevolge die Nasionale Wet op Omgewingsbestuur, 1998 (Wet 107 van 1998) (NEMA) – OIE-regulasies, 2014 (soos gewysig).

Neem asseblief kennis dat 'n elektroniese kopie van die aansoek om wysiging van die OM vir u aangestuur sal word sodra dit by die DO ingedien is.

Vir meer inligting, tree asseblief in verbinding met SiVEST by:

Dear Landowner,

APPLICATION FOR AMENDMENT OF AN ENVIRONMENTAL AUTHORISATION (EA): PROPOSED DEVELOPMENT OF THE DWARSRUG WIND FARM NEAR LOERIESFONTEIN, NORTHERN CAPE PROVINCE
▪ **DEA Reference Number: 14/12/16/3/3/2/690**

The original environmental authorisation (EA) issued by the Department of Environmental Affairs (DEA) on 28 September 2015 (DEA Reference 14/12/16/3/3/2/690) for the above mentioned project and subsequent amendment of the EA on 12 October 2015 (DEA Reference 14/12/16/3/3/2/690/AM1) refer.

South Africa Mainstream Renewable Power Developments (Pty) Ltd (hereafter referred to as 'Mainstream'), is applying for a Part 2 Amendment of the EA for the abovementioned project. Aspects of the EA which require amendment are as follows:

- Amendments to authorised turbine dimensions to have hub heights of up to 200m and rotor diameters of up to 200m, and
- Amendments to the name and contact details of the holder of the EA.

As an affected landowner, we would like to inform you that the application for amendment of the EA will be submitted to the Department of Environmental Affairs (DEA) in accordance with the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA) – EIA Regulations, 2014 (as amended).

Please be advised that an electronic copy of the application for the amendment of the EA will be forwarded to you as soon as it has been submitted to the DEA.
