

BA Process Notification Letter to Landowners

17 October 2018

Dear Stakeholder

**BASIC ASSESSMENT AND
PUBLIC PARTICIPATION PROCESS**

**DWARSRUG WIND ENERGY FACILITY ACCESS ROAD NEAR LOERIESFONTEIN,
NORTHERN CAPE PROVINCE**

NOTICE OF BASIC ASSESSMENT PROCESS

The applicant, South African Mainstream Renewable Power (Pty) Ltd, is proposing the development of an access road for the authorised Dwarsrug Wind Energy Facility (WEF) ~60km north of Loeriesfontein, in the Northern Cape Province. The proposed access road will fall within the jurisdiction of the Hantam Local Municipality and within the greater Namakwa District Municipality.

The affected properties will include the following:

- » Remainder of the Farm Brakpan No. 212;
- » Stinkputs No. 229;
- » Portion 1 of the Farm Aan de Karee Doorn Pan No. 213;
- » Remainder of the Farm Sous No. 226; and
- » Narosies No. 228.

The applicant is proposing two alternative access roads which will be assessed, including:

- » Alternative 1 - Gravel road from Granaatboskolk to the project site (approx. 11.26km); and
- » Alternative 2 - Gravel road from Granaatboskolk to the project site (approx. 8.20km).

BASIC ASSESSMENT PROCESS

An application for Environmental Authorisation (EA) will be submitted for the proposed access road to the Northern Cape Province Department of Environment and Nature Conservation (NC DENC) as the Competent Authority (CA), in accordance with the National Environmental Management Act (No. 107 of 1998) (NEMA) and the provisions of the 2014 Environmental Impact Assessment (EIA) Regulations, as amended on 07 April 2017, published in GNR 324 to GNR 327.

Savannah Environmental (Pty) Ltd has been appointed as the independent Environmental Assessment Practitioner (EAP), responsible for undertaking the Basic Assessment (BA) processes, in order to identify and assess all potential environmental impacts associated with the project for the area as identified, and recommend appropriate mitigation and management measures in an Environmental Management Programme (EMPr). As part of these environmental studies, Interested and/or Affected Parties (I&APs) will be actively involved through the public participation process. As part of the BA Process, Interested and/or Affected Parties (I&APs) will be actively involved through the public participation process.

You, and/or the organisation which you represent, have been identified as a directly affected or adjacent property owner that could be impacted by the proposed project. The 2014 EIA Regulations, as amended on 07 April 2017, require that the owner or person in control of the land as well as occupiers of the affected and adjacent properties, which could be impacted by the project, are informed of the environmental assessment and authorisation process in writing. In this regard, please could you kindly **inform any other persons** (tenants, employees, farm managers and workers etc.) residing on your property of these BA processes. Should you or any other occupier of your property have an interest in this project, please **register yourselves as I&APs** by completing and returning the attached stakeholder registration/comment form. By registering on the project database, you will receive all information relating to the project and will be provided with an opportunity to provide comment and input into the BA processes.

Please do not hesitate to contact us should you require additional information and/or clarification regarding the proposed project. Our team welcomes your participation and looks forward to your involvement throughout this process.

Kind regards
