I&AP – Meeting – 10 September 2020

Held @ Prism EMS offices

Short minutes

Attendance: Mr D Botha (Prism EMS)
Mr. A Beadle (Neighbour)
Mrs. DB Beadle (Neighbour)

An informal meeting was held at the offices of Prism EMS (JHB).

A general discussion in terms of the planned development was entered into. It was briefly explained what was planned for the development. The I&AP's were referred to the BID which they confirmed receipt of. It was also indicated that they will be formally registered as I&AP's and that they will receive further communication in terms of the circulation and reports available for public review.

The I&AP's had specific queries in terms of the services and the wetland area. Maps were made available to the I&AP's for their perusal and information.

The sewer route was discussed. The reason for the alternative was also explained.

The roads infrastructure was discussed and the specific routes was discussed.

The wetland and buffer were extensively discussed. The implications of the wetland and the requirements in terms of development was discussed. The implications of the wetland on their property was also discussed.

The signed letter for registration was submitted to Prism EMS for official records.

Meeting was closed.

De Wet Botha (M.A. Env. Man.)(PHED) (Pr.Sci.Nat.)(Reg. EAP)
