Lindie Wiehahn is a consulting environmentalist. She obtained several certificates in the Environmental Management field in the year 2002 at the North West University, Potchefstroom Campus. During this year she worked as an Environmental Officer at Geo-Rock International (Pty) Ltd.

During the year 2002 Lindie assisted with two Environmental Impact Assessments for a Golf Course development in Modderivier (today known as the Magersfontein Memorial Golf Course) and a Cottage development on the farm Avoca in the Douglas district. Later the same year she successfully completed her first sole Environmental Impact Assessment for the development of a filling station on the N12 at Warrenton.

Lindie was employed at the company till 2012 as an Environmental Consultant. Experiences obtained during these years were the drafting of Environmental Management Programmes, Environmental Management Programme Reports, Environmental Monitoring and Compliance Reports and Environmental Risk Reports. She also conducted several Environmental Impact Assessments for Mining Rights on La Reysstryd 53 IO, Lichtenburg (2004), Longlands, Barkly West (2004) and Lohatla 673, Postmasburg (2009, 2011).

After the liquidation of Geo-Rock International, Lindie went into partnership with John H.R Loots till 2015. During these years she continued working as an Environmental Consultant and successfully completed an Environmental Impact Assessment on the farm Groot Derm 10, Alexanderbay (2012). From the year 2015 till date she undergone company name changes and is now consulting under LW Consultants.

The latest EIA conducted under the new DMR and NEMA regulations is Roodepan 70 (2015).
