

**EAST 270
RE/270**

BOREHOLE (not equipped)

**EAST SOLAR PARK
Osalus Energy (Pty) Ltd
14/12/16/3/3/2/664**

73 m

Eskom "HOTAZEL / HEUNINGVLEI 1" 132 kV power line

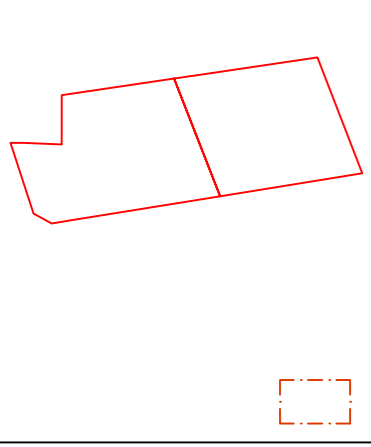

NEW 132kV POWER LINE TO HOTAZEL AND/OR UMTU

**Remainder Portion and Portion 2 of the FARM EAST 270
Kuruman RD**
Total Extent: 1820.8015 hectares

Development Area
Extent: up to 250.0 hectares

Remainder of the farm
Extent: 1570.8015 hectares

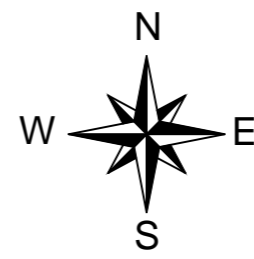

- Medium-Sensitivity**
Indigenous woodland with protected trees (licence needed for tree removal)
- Medium-Low Sensitivity**
Indigenous woodland in slightly encroached state
- High Sensitivity**
Endorheic depression (wetland)
- Medium-High Sensitivity**
Sloping terrain along dunes with dense stands protected tree species

**PROJECT SITE
Remaining Extent and Portion 2
of the Farm EAST 270, Kuruman RD**
Joe Morolong Local Municipality
John Taolo Gaetsewe District Municipality
Northern Cape Province
LPI codes: C0410000000027000000
C0410000000027000002
Extent: 964.2695 ha + 856.5320 ha
Total extent: 1820.8015 ha
27° 09' 50" S , 22° 56' 15" E

- PV arrays
- Medium voltage stations
- High-voltage substation
2 x 60 MVA power transformers
- Medium voltage receiving station and control building
- Warehouses

- Internal roads
- Access road
4.6 km, 8 m wide
- Salt pan (endorheic depression) and 32 m buffer
- Boreholes
- Eskom "HOTAZEL / HEUNINGVLEI 1" 132 kV power line and registered servitude
