Dear Sir/Madam

**NEMA QUERY NOT LISTED: THE PROPOSED DEVELOPMENT OF A 25 METER HIGH TELECOMMUNICATION INFRASTRUCTURE ON PORTION 2 OF ERF 62, LOMBARDY EAST TOWNSHIP (26.113741° S 28.119183° E); CITY OF JOHANNESBURG METROPOLITAN MUNICIPALITY**

The above-mentioned development enquiry received by the Department on 07 May 2018 has reference.

The proposal entails the erection of a 25 meter high tree type telecommunication mast with one equipment container to be located at the foot of the mast on the above-mentioned site. The proposed mast is located outside the geographical areas as listed in terms of Listing Notice 3.

Based on the above and the information submitted, please note that the proposed development is not listed in terms of listing Notice 1, 2 and 3 of Environmental Impact Assessment Regulations, 2014 published under the National Environmental Management Act (NEMA), 1998 (Act No. 107 of 1998, as amended) and therefore does not legally require Environmental Authorisation from the Department.

Although authorisation in terms of NEMA is not required for this activity, all relevant legislation and requirements of other government departments (i.e. National, Provincial and Local) must still be complied with.

This Department reserves the right to revise this advice if there is non-compliance taking place from the subject property.

Should there be any queries concerning this letter, please contact the official of the Department using the contact details indicated above.

**Yours faithfully**

A handwritten signature in black ink, appearing to read 'S. Mukhola', written over a horizontal line.

**Mr S. Mukhola**  
**Director: Impact Management**
