As discussed, please take note of the following:

2. The SAHRA conditions as stated in your letter (dated: 26 April 2019) were included in Section 9.5.2 (i.e. the EMPr) of the Final Basic Assessment Report.
3. The Mpumalanga Heritage Resources Authority (B. Moduka) was informed (letter dated: 29 April 2019) of the proposed development and requested to provide comment on the built environment as recommended by SAHRA. To date, no comment has been received.

It would be appreciated if you could indicate whether the above-mentioned points address the issues raised in your letter (dated: 26 November 2019). Please could you close the file once again.
