Dear Sirs

**7 DENIS HURLEY (QUEEN) STREET, DURBAN
(ERF 11960 DURBAN)
ALTERATIONS AND ADDITIONS TO EXISTING BUILDING
FOR CHESTER MEAT**

In terms of SANS 10400 Part A1(3) I confirm that the existing structure is capable of carrying the additional loads arising from the alterations and additions contemplated by this building plan application.

This confirmation is based on the fact that I have inspected the structure in question and I deem it to be adequate to support the alterations and additions where required.

Yours faithfully,

E. Weakley Pr Eng 850110
