**Exhume of my late mother Nomgongo Mthombeni's remains.**

Nomgongo Mthombeni was born on the 10/12/1922 and passed away on the 07/06/1952 and was buried in a farm called Rooikoppie in the Edenville District. There is no ID book or number but it was traced and was not found.

It is requested that she must be buried at the Sasolburg Cemetery with regard to the following reasons:

1. The grandkids wish to visit the grandmother's grave but fail to do so because of the distance to her current grave.
2. We wish to have a tombstone as a remembrance of her, but we do not wish to bombard the farmer with a crowd of people. We want to have a tombstone where she will be buried.
3. We want to stop the usage of the farm so that we do not have to frequently ask the farmer for constant permission to visit the grave and also to respect the safety of the workers.

The current farm owner of Rooikoppie farm is Mr. Pieter Lombard who currently resides in a farm called Alpha which is right next to it in the Edenville district, to seek permission from him to enter the farm.

I the undersigned, Hendrik Mbongile Mthombeni am the only remaining child of the deceased.

Yours Sincerely

H.M Mthombeni
