Subject: DC29/0010/2021 - Environmental Impact Report (DEIR) for the Nonoti Mouth Housing Development and Associated Infrastructure, within the KwaDukuza Municipality

Dear Sir / Mam

Reference is made to the Preferred Layout submitted as part of the Draft EIR submission for the Nonoti Mouth Housing Development and Associated Infrastructure, within the KwaDukuza Municipality. During the mapping of the layout, consultation was undertaken with the Inqaba Community Trust to identify sites for worship use and has been incorporated within the layout.

The areas circled in red are sites allocated for worship use. The area circled in blue is the location of the existing worship site.

We trust the above information will assist Amafa Heritage AkwaZulu Natali in providing comments for the application.

Please submit all comments or queries pertaining to the draft EIA Report to the undersigned.
