Dear Mariagrazia,

Re: Export permit extension (CaseID 475; permit 113)

Dr Manegold is not able to return the Langebaanweg avian material loaned in the above permit on time as he is not able to travel to South Africa this year. He will be coming to Cape Town in January 2014 and as agreed he will be personally returning material to the Cenozoic Collections of the Natural History Department of Iziko Museums of South Africa. I am also attaching Dr Manegold motivation for the extension which includes the submitted and papers in preparation.

Dr Manegold had a proven track record with Iziko Museums Cenozoic Collections and is considered reliable. I am therefore requesting that the export permit that pertains to the Langebaanweg avian material be extended until the end of January 2014.

Yours truly,

Dr Romala Govender
