**CONDITIONS FOR PERMIT TO RELEASE LIVE TROUT INTO GAUTENG WATERS**

1. This permit authorizes the release of live trout (*Oncorhynchus mykiss*) into the waters as indicated on the permit.
2. No live fish may be sold without a permit authorizing such sale.
3. No live or dead fish or products of dead fish may be transferred to any natural water source without a permit from the Directorate of Nature Conservation.
4. The permit is only valid for the release of the fish species indicated on the permit.
5. This permit is only valid for the release of the fish species at the address indicated on the permit.
6. The permit holder must take the necessary precautions to prevent water from the holding facility from flowing into any natural water system, or municipal reticulation.
7. The permit holder will be held responsible for any negative environmental impact or pollution that may emanate from the importation and release of the listed fish species. The permit will be withdrawn if the permit holder fails to prevent such negative environmental impact or pollution.
8. Failure to comply with or any contravention of these conditions is a prosecutable offence in terms of section 100(6) of the Nature Conservation Ordinance 12 of 1983.
9. I have read and understand these conditions
