1001 PUBLIC NOTICES

BASIC ENVIRONMENTAL ASSESSMENT: PROPOSED NONOTI BEACH NODE DEVELOPMENT, KWADUKUZA MUNICIPALITY, KWA-ZULU-NATAL

Notice is hereby given with intent to carry out a Basic Environmental Assessment in terms of the National Environmental Management Act, 1998 (Act No.107 of 1998), as amended; the Environmental Impact Assessment Regulations (2014).

It is proposed that Nonoti Beach Node be developed. The beach node is planned to include: an access road and turning circle, parking area, arts and craft kiosks, informal and formal trading kiosks, ablutions, a conservancy tank, a lifeguard tower and service road, swimming pool, bicycle and skateboarding track and outdoor amphitheatre.

The development is to be situated on Portion 0, 42, 43, 44, 43, 54 & 55 of 10233 Hyde Park, KwaDukuza Local Municipality. The geographical co-ordinates of the proposed development are: 29°20'1.26"S | 30°23'33.76" E.

The purpose of this document is to (i) inform the public and interested and Affected Parties (I&AP's) about the proposed project, (ii) share information about the proposed project which will be of relevance to the potentially affected parties, and (iii) give I&AP's an opportunity to register and comment. Should you wish to be kept informed during the EIA process, it is important that you register as an I&AP. Please contact the environmental consultant on the details below in order to register.

The public participation process will end 30 days from this notice.
