MANDELADAG

FRASERBURG – Op 18 Julie het die leerders en personeel van Malherbe Human Laerskool in Fraserburg ook Mandela se lewende geestes saam met die res van Suid-Afrika.

"n Seremonie is gehou waartydens hoogtepunte uit sy lewende vertel is en ook lesse uit sy lewende. Die leerders het ook die volkslied uit volle bors gesing nadat die vlag gehys is.

Na afloop van die seremonie is kos en sop uitgedeel aan behoeftiges in die gemeenskap. MHL vier Mandela se nalatenskap en sal poog om sy goeie werk voort te sit.

10 Jaar gelede

DIE NOORDWESTER: 1 Augustus 2008. Daar het 'n behoefte ontstaan vir 'n gemeenskap op Calvinia en die moedergemeente wil graag aan die behoefte voorsien. Verassing as 'n alternatief vir 'n tradisionele begraving hou verskeie voordele in. Dis goedkoper en dikwels ook veiliger.

OOSTERSE INVAL IN SUID-AFRIKA

Dis laat in die dag vir ons my China

Ellen Riley van Carnarvon, skryf: Ons is nog nie los van die Gupta gesins nie en nou verkoop Eskom ons alweer aan die Chinese. Niks is verniet nie. Die Chinese sal aan jou geld leen maar hulle wil iets daarvoor in ruil hê. En die eise is gewoonlik grondgebied of besigheidsreëte of oorname van iets wat tot hulle voordeel strek. Hulle land is oorbevolk. Hulle moet hulle mense uitplaas. Hulle belowe werksgeleenthede maar op die einde stuur en gebruik hulle lande vir werke in Afrika en Suid-Afrika sal geen uitsondering wees nie.

Die Chinese beland is ons dorpe en stede. Brandarm. Sonder iets om hulself mee te troos en kyk maar binne drie jaar het hulle 'n besigheid en nog drie jaar het hulle nog drie besighede waarin nog Chinese in bedrywig is. Die troos dat hul vaardighede na ons land bring is 'n foefie. Water landsburger wil werk as hy betaal word om nie te werk nie. Nie dat dit nie nodig is nie maar steel en misdaad is dan winsgewend.

Polisiëring het in die hek ge-duik en dan is dwelms ook nou

'n maklike manier van geldmaak. Nou gaan alles in die land agteruit en oor 'n klompie jare wanneer hierdie besluitnemers almal al die emmer geskop het, sal ons nageslag swoeg vir ander volke deur die toedoen van swak finansiële besluite deur onbevoegde, selfverrykende regeringsleiers.

Die uitroei van korrupsie het maar sopas die boonste lagie van die ellende getref en jare se ondersoek lê nog voor. So vinnig as wat daar agter opge-rin sal word so vinnig sal die moeras voor uitbrei. Raak ont-las van staatsinstellings wat nie werk nie of beter gestel wat nie hulself kan bestuur nie.

10 Jaar gelede

DIE NOORDWESTER: 29 Augustus 2008. Vrydagdaand omstreeks 19:00 het die meerderheid inwoners van Middelpos kom toekyk wie is die vrou van die jaar. Daar was vyf finaliste en die naas-wenners was me. A. Moses en me. F. Pieterse. Die vrou van die jaar was me. B. Opperman.

- » The turbine specification (as specified on page 9 and 10 of the EA) is to change to:
 - Hub Height: Up to 125m;
 - Rotor Diameter: Up to 160m; and
 - Generating capacity: Between 2MW and 5.5MW.
- » Details of the holder of the environmental authorisation to change.

Project Location: The project site is located in the Central Karoo District Municipality and the Namakwa District Municipality on the following properties:
