Good morning,

Please note that a fee is required as from 1 January 2023 for all development applications submitted on SAHRIS, see the following link: <https://sahris.sahra.org.za/content/what-are-sahra-processing-fees-and-banking-details>.

Please pay the required amount of R2000 for each section 38(8) development application and upload the proof of payment (PoP) to the respective development application case on SAHRIS. The status of the case will be changed to DRAFT. Once the PoP is uploaded, please change the status of the case to SUBMITTED.

An invoice will be issued to you for the requested development application fee.

Kind regards,
