

NOTIFICATION OF BASIC ASSESSMENT PROCESS
AND PUBLIC PARTICIPATION PROCESS:
LANDOWNERS

17 August 2018

Dear Stakeholder

**BASIC ASSESSMENT AND
 PUBLIC PARTICIPATION PROCESS**

NAMAS WIND FARM, NORTHERN CAPE

NOTICE OF ENVIRONMENTAL IMPACT ASSESSMENT PROCESS

A wind farm is proposed to be developed within the Springbok Renewable Energy Development Zone (REDZ), approximately 20 km south-east of the town of Kleinsee in the Northern Cape. The wind farm is known as the **Namas Wind Farm** and is located within the Nama Khoi Local Municipality and the Namakwa District Municipality. A suitable project site for the development of the wind farm has been identified by the project development company. The details of the project are as follows:

Project Name	Namas Wind Farm
Applicant	Genesis Namas Wind (Pty) Ltd
Area of project site	~5092ha
Affected properties	<ul style="list-style-type: none"> » Portion 3 of the Farm Zonnekwa 328 » Portion 4 of the Farm Zonnekwa 328 » Remaining Extent of the Farm Rooivlei 327 » Portion 3 of the Farm Rooivlei 327
Contracted Capacity of wind farm	up to 140MW
No of turbines	up to 43
Turbine hub height	up to 130m
Turbine tip height	up to 205m
Grid connection	At the existing Gromis Substation, approx. 26km north of the site
On-site substation size	100m x 100m

Power line	Overhead 132kV power line (assessed as a 300m power line corridor), with a servitude of 32m
Affected properties - 132kV grid connection	<ul style="list-style-type: none"> » Portion 3 of the Farm Zonnekwa 328 » Portion 2 of the Farm Zonnekwa 328 » Portion 1 of the Farm Zonnekwa 326 » Remaining extent of the Farm Zonnekwa 326 » Remaining extent of the Farm Honde Vlei 325 » Remaining extent of the Farm Kannabieduin 324 » Remaining extent of the Farm Sand Kop 322 » Remaining extent of the Farm Mannels Vley 321 » Remaining extent of the Farm Dikgat 195 » Portion 15 of the Farm Dikgat 195 » Remaining Extent of Farm Rooivlei 327
Access roads (internal and main)	~8m in width

Other associated infrastructure will be required for the wind farm, including:

- » Concrete turbine foundations and hardstand areas;
- » Temporary laydown areas which will accommodate storage and assembly areas;
- » Cabling between the turbines, to be laid underground where practical;
- » A temporary concrete batching plant; and
- » Operation and Maintenance buildings including a gate house, security building, control centre, offices, warehouses, a workshop and visitors centre.

It is the developer's intention to bid the Namas Wind Farm project under the Department of Energy's (DoE) Renewable Energy Independent Power Producer Procurement (REIPPP) Programme. The power generated from the project will be sold to Eskom and will feed into the national electricity grid. The development of the project will also assist with achieving the electricity generation goals as set out in the Integrated Resources Plan.

Another wind farm is proposed to be developed directly north of the Namas Wind Farm, known as the Zonnequa Wind Farm. This wind farm will be assessed as part of a separate Environmental Impact Assessment (EIA) process.

BASIC ASSESSMENT PROCESS

As per the EIA Regulations published in terms of Section 24(5) of the National Environmental Management Act (NEMA, Act No 107 of 1998), the applicant will require authorisation from the National Department of Environmental Affairs (DEA) (in consultation with Northern Cape Department of Environment and Nature Conservation (DENC)) for the undertaking of the project. Due to the location of the project site within the REDZ, a Basic Assessment (BA) process is required to be undertaken for the Namas Wind Farm in accordance with GN114, as formally gazetted on 16 February 2018. The application is required to be supported by comprehensive, independent environmental studies undertaken in accordance with the EIA Regulations, 2014, as amended.

Genesis Namas Wind (Pty) Ltd has appointed Savannah Environmental, as the independent environmental consultant, to undertake a Basic Assessment for the project to identify and assess all

potential environmental impacts associated with the wind farm, and recommend appropriate mitigation measures in an Environmental Management Programme (EMPr). As part of the environmental studies, I&APs will be actively involved through the public involvement process being undertaken by Savannah Environmental.

You and/or the organisation which you represent have been identified as a directly affected or adjacent property owner that could be impacted by the proposed wind farm. The EIA Regulations require that the owner or person in control of the land as well as occupiers of the affected and adjacent properties, which could be impacted by the project, are informed of the environmental assessment process in writing. In this regard, please could you kindly inform any other persons (tenants, employees, farm managers and workers etc.) residing on your property of this Basic Assessment process. Should you or any other occupier of your property have an interest in this project, please register yourselves as Interested and Affected Parties (I&APs) by completing and returning the attached stakeholder registration/comment form. By registering on the project database, you will receive all information relating to the project and will be provided with an opportunity to provide comment and input into the Basic Assessment process.

A background information document, which provides further information on the BA process as well as the nature and extent of the proposed wind farm, is attached to this letter and is also available for download on the Savannah Environmental Website (www.savannahsa.com).

Please do not hesitate to contact us should you require additional information and/or clarification regarding the project. Our team welcomes your participation and look forward to your involvement throughout this process.

Kind regards

Rozanne Els

Namas & Zonnequa Wind Farms

Namas & Zonnequa Wind Farms, Northern Cape Province.

Project Name: Namas Wind Farm, Northern Cape Province

Applicant: Genesis Namas Wind (Pty) Ltd

Proposed Activity: The development of a wind farm with a contracted capacity of up to 140MW which will include up to 43 wind turbines and associated infrastructure including a substation, a power line to connect at Gromis Substation, access roads and laydown areas.

Location: The project site is located approximately 20km south-east of Kleinse, within the Nama Khoi Local Municipality and the Namakwa District Municipality in the Northern Cape Province. The site falls within Focus Area 8 of the Renewable Energy Development Zones (REDZ), which is known as the Springbok REDZ.

Four properties comprise the wind farm site: Portion 3 of the Farm Zonnekwa 328, Portion 4 of the Farm Zonnekwa 328, Remaining Extent of the Farm Rooivlei 327 and Portion 3 of the Farm Rooivlei 327

To: meisie@3i.co.za
Cc: 'Rozanne Els'
Subject: Namas&Zonneque Windplaas Projekte: Kontakinligting van Gastehuis

More Meisie,

Baie dankie dat jy my oproep vanoggend geneem het en vir die waardevolle inligting rakende 'n vergaderingsplek in julle nabye omgewing.

Soos bespreek, sal ek dit waardeer as jy vir my:

- julle landlyn (satellite) nommer kan deurstuur. Die nommer wat tans op ons databasis is (027 821 1379) bestaan nie. Dit is nou volgens Telkom se antwoord fasiliteit; en
- die kontakinligting (telefoonnommer en e-pos adres indien moontlik) van die gastehuis wat sentraal geleë is waar ons 'n vergadering met grondeienaars kan hou.

Meisie, tydens my oproep gister met Albertus Roux het hy my meegedeel dat 14h00 'n geskikte tyd is om 'n vergadering te hou. Stem jy saam met die tyd of is daar 'n meer geleë tyd wat jy kan aanbeveel.

Ek onthou nou dat jy genoem het van 'n visvangklub en 'n skietklub – bestaan hierdie twee klubs nog en indien wel, wie kan ek kontak om hulle inligting te bekom (voorsitter / sekretaris)?

Vriendelike groete

Hi Annabe,

Ek het vir jou registreerde pos gestuur omdat ek nie jou epos adres gehad het nie. Ek het jou op ons databasis asdie eienaar van Zonnekwa 326 en 328.

Zonnekwa 326 – Impated Landowner Zonnequa Wind Farm and Power Line

Zonnekwa 328 – Impacted Landowner Zonnequa and Adjacent Landowner to Namas Wind Farm and Power Line.

Ek gaan sommer nou jou kontak betsonderhede op ons databasis op dateer. Wil jy nie dalk net vir my jou selfoon nommer ook stuur nie ?

Sien aangeheg al die informasie wat ons gestuur her per registreerde pos.

Skakel gerus as jy enige vrae het of inligting benodig

Groete,

Rozanne Els

NOTIFICATION OF BASIC ASSESSMENT PROCESS
AND PUBLIC PARTICIPATION PROCESS:
INTERESTED AND AFFECTED PARTIES
(I&APS)

17 August 2018

Dear Stakeholder

BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS

NAMAS WIND FARM, NORTHERN CAPE

NOTICE OF ENVIRONMENTAL IMPACT ASSESSMENT PROCESS

A wind farm is proposed to be developed within the Springbok Renewable Energy Development Zone (REDZ), approximately 20 km south-east of the town of Kleinsee in the Northern Cape. The wind farm is known as the **Namas Wind Farm** and is located within the Nama Khoi Local Municipality and the Namakwa District Municipality. A suitable project site for the development of the wind farm has been identified by the project development company. The details of the project are as follows:

Project Name	Namas Wind Farm
Applicant	Genesis Namas Wind (Pty) Ltd
Area of project site	~5092ha
Affected properties	<ul style="list-style-type: none"> » Portion 3 of the Farm Zonnekwa 328 » Portion 4 of the Farm Zonnekwa 328 » Remaining Extent of the Farm Rooivlei 327 » Portion 3 of the Farm Rooivlei 327
Contracted Capacity of wind farm	up to 140MW
No of turbines	up to 43
Turbine hub height	up to 130m
Turbine tip height	up to 205m
Grid connection	At the existing Gromis Substation, approx. 26km north of the site
On-site substation size	100m x 100m

Power line	Overhead 132kV power line (assessed as a 300m power line corridor), with a servitude of 32m
Affected properties - 132kV grid connection	<ul style="list-style-type: none"> » Portion 3 of the Farm Zonnekwa 328 » Portion 2 of the Farm Zonnekwa 328 » Portion 1 of the Farm Zonnekwa 326 » Remaining extent of the Farm Zonnekwa 326 » Remaining extent of the Farm Honde Vlei 325 » Remaining extent of the Farm Kannabieduin 324 » Remaining extent of the Farm Sand Kop 322 » Remaining extent of the Farm Mannels Vley 321 » Remaining extent of the Farm Dikgat 195 » Portion 15 of the Farm Dikgat 195 » Remaining Extent of Farm Rooivlei 327
Access roads (internal and main)	~8m in width

Other associated infrastructure will be required for the wind farm, including:

- » Concrete turbine foundations and hardstand areas;
- » Temporary laydown areas which will accommodate storage and assembly areas;
- » Cabling between the turbines, to be laid underground where practical;
- » A temporary concrete batching plant; and
- » Operation and Maintenance buildings including a gate house, security building, control centre, offices, warehouses, a workshop and visitors centre.

It is the developer's intention to bid the Namas Wind Farm project under the Department of Energy's (DoE) Renewable Energy Independent Power Producer Procurement (REIPPP) Programme. The power generated from the project will be sold to Eskom and will feed into the national electricity grid. The development of the project will also assist with achieving the electricity generation goals as set out in the Integrated Resources Plan.

Another wind farm is proposed to be developed directly north of the Namas Wind Farm, known as the Zonnequa Wind Farm. This wind farm will be assessed as part of a separate Environmental Impact Assessment (EIA) process.

BASIC ASSESSMENT PROCESS

As per the EIA Regulations published in terms of Section 24(5) of the National Environmental Management Act (NEMA, Act No 107 of 1998), the applicant will require authorisation from the National Department of Environmental Affairs (DEA) (in consultation with Northern Cape Department of Environment and Nature Conservation (DENC)) for the undertaking of the project. Due to the location of the project site within the REDZ, a Basic Assessment (BA) process is required to be undertaken for the Namas Wind Farm in accordance with GN114, as formally gazetted on 16 February 2018. The application is required to be supported by comprehensive, independent environmental studies undertaken in accordance with the EIA Regulations, 2014, as amended.

Genesis Namas Wind (Pty) Ltd has appointed Savannah Environmental, as the independent environmental consultant, to undertake a Basic Assessment for the project to identify and assess all

potential environmental impacts associated with the wind farm, and recommend appropriate mitigation measures in an Environmental Management Programme (EMPr). As part of the environmental studies, I&APs will be actively involved through the public involvement process being undertaken by Savannah Environmental.

You and/or the organisation, which you represent, has been identified as an I&AP for the Namas Wind Farm. A background information document, which provides further information on the BA process as well as the nature and extent of the proposed wind farm, is attached to this letter and is also available for download on the Savannah Environmental Website (www.savannahsa.com). Should you have an interest in the project, please register yourself as an I&AP by completing and returning the attached stakeholder registration/comment form. By registering on the project database, you will be kept informed of the BA process being undertaken for the project and will be provided with an opportunity to provide comment and input.

Please do not hesitate to contact us should you require additional information and/or clarification regarding the project. Our team welcomes your participation and look forward to your involvement throughout this process.

Kind regards

Rozanne Els

Namas & Zonnequa Wind Farms

Namas & Zonnequa Wind Farms, Northern Cape Province.

Project Name: Namas Wind Farm, Northern Cape Province

Applicant: Genesis Namas Wind (Pty) Ltd

Proposed Activity: The development of a wind farm with a contracted capacity of up to 140MW which will include up to 43 wind turbines and associated infrastructure including a substation, a power line to connect at Gromis Substation, access roads and laydown areas.

Location: The project site is located approximately 20km south-east of Kleinse, within the Nama Khoi Local Municipality and the Namakwa District Municipality in the Northern Cape Province. The site falls within Focus Area 8 of the Renewable Energy Development Zones (REDZ), which is known as the Springbok REDZ.

Four properties comprise the wind farm site: Portion 3 of the Farm Zonnekwa 328, Portion 4 of the Farm Zonnekwa 328, Remaining Extent of the Farm Rooivlei 327 and Portion 3 of the Farm Rooivlei 327

Dear Natalie,

Thank you so much for sharing the project information with other community representatives.

You are correct, the purpose of the focus group meeting will be to present the project and the key findings as documented in the Basic Assessment Report with representatives of various community groups in Kleinsee.

Looking forward to hear from you all.

Kind regards

Subject: Namas & Zonnequa Wind Farm Projects: Notification of Basic Assessment Process

Dear Natalie,

Thank you so much for taking my call yesterday and this morning!

As discussed, please find herewith information regarding the proposed projects that I believe will assist you with my request as to the various Forums / Groups established in Kleinsee to be representative of the Kleinsee community (i.e. businesses, tourism, community-based organisations (ratepayer's association / property association), etc). We are planning to hold focus group meetings toward mid-October 2018 in Kleinsee.

Two 140MW wind farms are proposed to be developed on adjacent sites within the Springbok REDZ, approximately 20km south of the town of Kleinsee in the Northern Cape. The wind farms are known as the Namas wind Farm and the Zonnequa Wind Farm and are within the Nama Khoi Local Municipality and the Namakwa District Municipality. A suitable project site for the development of each of the wind farms has been identified by the project development companies.

Savannah Environmental has been appointed to undertake the Basic Assessment Process for the Namas and Zonnequa Wind Farms.

Please refer to the attached Notification letter and Background Information document for further information regarding the project.

Please do not hesitate to contact us if you have any queries in this regards.

Kind regards,

NOTIFICATION OF AVAILABILITY OF BASIC
ASSESSMENT REPORT FOR PUBLIC REVIEW AND
COMMENT
LANDOWNERS &
INTERESTED AND AFFECTED PARTIES (I8APS)

23 October 2018

Dear Stakeholder

BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS NAMAS WIND FARM, NORTHERN CAPE

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT

A wind farm is proposed to be developed within the Springbok Renewable Energy Development Zone (REDZ), approximately 20 km south-east of the town of Kleinsee in the Northern Cape. The wind farm is known as the **Namas Wind Farm** and is located within the Nama Khoi Local Municipality and the Namakwa District Municipality.

It is Genesis Namas Wind (Pty) Ltd's, the developer, intention to bid the Namas Wind Farm project under the Department of Energy's (DoE) Renewable Energy Independent Power Producer Procurement (REIPPP) Programme. The power generated from the project will be sold to Eskom and will feed into the national electricity grid. The development of the project will also assist with achieving the electricity generation goals as set out in the Integrated Resources Plan.

Another wind farm is proposed to be developed directly north of the Namas Wind Farm, known as the Zonnequa Wind Farm. This wind farm will be assessed as part of a separate Basic Assessment (BA) process.

AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW

As a registered Interested and Affected Party (I&AP), you are hereby notified that the Basic Assessment Report is available for review and comment. The report can be viewed at the Kleinsee Public Library (3rd Avenue, Kleinsee, open on Tuesdays & Thursdays between 11h00 and 17h00) from **Wednesday, 24 October 2018** to **Friday, 23 November 2018**. The report can also be downloaded from the Savannah Environmental's website: www.savannahsa.com. A password will be required to access the download, and the password can be requested from our Public Participation Office (contact details below).

We kindly request that you submit your written comment(s) on the BA Report before or by **Friday, 23 November 2018** via fax, post or email (contact details below). All comments received during this 30-day review period will be recorded and included in the Final Basic Assessment Report for submission to the Department of Environmental Affairs in line with Regulation 44 of the 2014 NEMA EIA Regulations, as amended (GN R326).

Please do not hesitate to contact us should you require additional information and / or clarification regarding the projects. Our team welcomes your participation and looks forward to your involvement throughout this process.

Kind regards

A handwritten signature in black ink, appearing to read 'Nicolene Venter', written in a cursive style.

Importance: High

Dear Jacqueline,

Please see attached the Background Information document and reply Form. Also see attached the Notification of the availability of the Basic Assessment report for review and comment.

The Review period is from Wednesday, 24 October 2018 to Friday, 23 November 2018. All comments are kindly requested to be submitted before or by Friday 23 November 2018.

Kind regards,

WEBSITE:

<http://www.savannahsa.com/public-documents/energy-generation/namas-wind-farm/>

Namas Wind Farm, Northern Cape Province

Project Name: Namas Wind Farm, Northern Cape Province

Applicant: Genesis Namas Wind (Pty) Ltd

Proposed Activity: The development of a wind farm with a contracted capacity of up to 140MW which will include up to 43 wind turbines and associated infrastructure including a substation, a power line to connect at Gromis Substation, access roads and laydown areas.

Location: The project site is located approximately 20km south-east of Kleinsee, within the Nama Khoi Local Municipality and the Namakwa District Municipality in the Northern Cape Province. The site falls within Focus Area 8 of the Renewable Energy Development Zones (REDZ), which is known as the Springbok REDZ.

Four properties comprise the wind farm site: Portion 3 of the Farm Zonnekwa 328, Portion 4 of the Farm Zonnekwa 328, Remaining Extent of the Farm Rooivlei 327 and Portion 3 of the Farm Rooivlei 327.

The power line corridor traverses ten affected properties: Portion 3 of the Farm Zonnekwa 328, Portion 2 of the Farm Zonnekwa 328, Portion 1 of the Farm Zonnekwa 326, Remaining extent of the Farm Zonnekwa 326, Remaining extent of the Farm Honde Vlei 325, Remaining extent of the Farm Kannabieduin 324, Remaining extent of the Farm Leliefontein 322, Remaining extent of the Farm Mannels Vley 321, Remaining extent of the Farm Dikgat 195 and Portion 15 of the Farm Dikgat 195.

Basic Assessment Process: In terms of Sections 24 and 24D of the National Environmental Management Act (No 107 of 1998), as read with Government Notice R324 – R327, as amended, Environmental Authorisation is required for the project. As the project site is located within a REDZ, a Basic Assessment (BA) process is required to be undertaken in accordance with GN114 (February 2018). Savannah Environmental is undertaking the required environmental assessment and public participation process.

To obtain further information and register on the project database, please submit your name, contact information and interest in the project to:

Per Courier

Dear Ms Pretorius,

**BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESSES FOR THE DEVELOPMENT OF THE
PROPOSED NAMAS AND ZONNEQUA WIND FARM PROJECTS NEAR KLEINSEE IN THE NORTHERN CAPE
PROVINCE**

NOTICE OF AVAILABILITY OF BASIC ASSESSMENT REPORTS FOR REVIEW AND WRITTEN COMMENTS

Genesis Namas Wind (Pty) Ltd is proposing two (2) 140MW wind farms and associated infrastructures on sites located approximately 20km south-east of Kleinsee. The wind farms are known as the **Namas Wind Farm** and **Zonnequa Wind Farm** and are located within the Nama Khoi Local Municipality and the Namakwa District Municipality in the Northern Cape Province.

This letter serves to request that the Basic Assessment Reports (BARs) included in this envelope be made available at the Kleinsee Library. An advertisement has been placed informing the public that the Reports are available at the Kleinsee Library for review and comment. Registered interested and affected parties on the projects' database has also been informed that they can have access to the hard copy of the Reports at Kleinsee Library.

Also included in this envelope are comment sheets and a Basic Assessment Reports' poster. It would be appreciated if you can stick the poster up where the Reports are available in the Library.

Please note that the BARs' review period is from **Wednesday, 24 October** to **Friday, 23 November 2018**.

We would like to take this opportunity to thank you for making the Reports available at the Kleinsee Library and you are most welcome to register the Reports in your research department as research material for students and the public.

Kind regards

Nicolene Venter
Public Participation and Social Consultant
Savannah Environmental

Included: A3 Basic Assessment Reports' availability poster

Hallo Meisie,

Soos bespreek per telefoon, sien asseblief aangeheg die uitnodiging na die fokus groep vergadering vir Namas & Zonnequa Woensdag 14 November 2018 om 14h00 te Die Houthoop Guest Farm.

Sien asook aangeheg Deon se uitnodiging soos bespreek. Baie dankie vir jou hulp. Ek waardeer dit onsaglik baie.

Vriendelike Groete,

8 November 2018

Willem Engelbrecht(1944)

Grondeienaar

Plaas: Zonnekwa 328/3 , Zonnekwa 326/1 , Zonnekwa 328/2 & Rooivlei 327/RE

Per Whatsapp: 083-458-2190

**BASIESE EVALUERINGSPROSES: NAMAS EN ZONNEQUA WINDPLASE NABY KLEINSEE, NOORD-
KAAPROVINSIE**

• **UITNODIGING NA FOKUSGROEPVERGADERING**

Die doel van hierdie brief is om u vriendelik uit te nooi om 'n Fokusgroepvergadering (FGV) by te woon wat gehou sal word op:

DATUM: Woensdag, 14 November 2018

TYD: 14h00

PLEK: Die Houthoop Gasteplaas, Steenvlei 6282, Kleinsee

Hierdie FGV maak deel uit van die Basiese Evalueringsprosesse (BE's) wat Savannah Environmental vir die bogenoemde projekte onderneem word.

Die doel van hierdie FGV is om:

- 'n kort / opsommende oorsig oor die voorgestelde windplase en roosterkonneksie projekte aan te bied;
- terugvoer te bied oor die sleutel omgewingsbevindinge soos vervat in die Basiese Evalueringsverslae (BEV's);
- die aanbevole versagtende maatreëls soos vervat in die konsep Omgewingsbestuursprogramme (OBP'e);
- aan u die geleentheid te bied om vrae te vra ter verduideliking betreffende die omgewingsbevindinge;
- aan u die geleentheid te bied om enige kommentaar en/or kwelling wat nog nie rakende die voorgestelde windplase en roosterkonneksie projekte geopper is nie, te opper; en
- u kommentaar en/of knelpunte wat by die FGV geopper word, aan te teken.

Om te verseker dat genoegsame sitplek by die lokaal beskikbaar is, versoek ons u vriendelik om die aangehegte Registrasievorm in te vul en dit voor of op **Maandag, 12 November 2018** aan die Openbare Deelnamespan terug te stuur.

Indien u nie die vergadering kan bywoon nie, is u welkom om 'n verteenwoordiger te stuur om die vergadering namens u by te woon.

Ons sien uit na u bywoning en betekenisvolle bydraes.

Vriendelike groete,

Nicolene Venter

Hierdie FGV maak deel uit van die Basiese Evalueringsprosesse (BE's) wat Savannah Environmental vir die bogenoemde projekte onderneem word.

Die doel van hierdie FGV is om:

- 'n kort / opsommende oorsig oor die voorgestelde windplase en roosterkonneksie projekte aan te bied;
- terugvoer te bied oor die sleutel omgewingsbevindinge soos vervat in die Basiese Evalueringsverslae (BEV's);
- die aanbevole versagtende maatreëls soos vervat in die konsep Omgewingsbestuursprogramme (OBP'e);
- aan u die geleentheid te bied om vrae te vra ter verduideliking betreffende die omgewingsbevindinge;
- aan u die geleentheid te bied om enige kommentaar en/or kwelling wat nog nie rakende die voorgestelde windplase en roosterkonneksie projekte geopper is nie, te opper; en
- u kommentaar en/of knelpunte wat by die FGV geopper word, aan te teken.

Om te verseker dat genoegsame sitplek by die lokaal beskikbaar is, versoek ons u vriendelik om die aangehegte Registrasievorm in te vul en dit voor of op **Maandag, 12 November 2018** aan die Openbare Deelnamespan terug te stuur.

Indien u nie die vergadering kan bywoon nie, is u welkom om 'n verteenwoordiger te stuur om die vergadering namens u by te woon.

Ons sien uit na u bywoning en betekenisvolle bydraes.

Vriendelike groete,

Nicolene Venter

**BASIC ASSESSMENTS: NAMAS AND ZONNEQUA WIND FARM PROJECTS NEAR KLEINSEE,
NORTHERN CAPE PROVINCE**

FOCUS GROUP MEETING: Wednesday, 14 November 2018

Two 140MW wind farms are proposed to be developed on adjacent sites within the Springbok REDZ, approximately 20 km south of the town of Kleinsee in the Northern Cape. The wind farms are known as the **Namas Wind Farm** and the **Zonnequa Wind Farm** and are within the Nama Khoi Local Municipality and the Namakwa District Municipality. A suitable project site for the development of each of the wind farms has been identified by the project development companies. The affected properties will include the following:

Project Name	Namas Wind Farm	Zonnequa Wind Farm
Applicant	Genesis Namas Wind (Pty) Ltd	Genesis Zonnequa Wind (Pty) Ltd
Affected properties	<ul style="list-style-type: none"> » Portion 3 of the Farm Zonnekwa 328 » Portion 4 of the Farm Zonnekwa 328 » Remaining Extent of the Farm Rooivlei 327 » Portion 3 of the Farm Rooivlei 327 	<ul style="list-style-type: none"> » Portion 1 of the Farm Zonnekwa 328 » Remaining Extent of the Farm Zonnekwa 326

We would like to take this opportunity to invite Eskom to attend the Focus Group Meeting (FGM) to take place on:

DATE: Wednesday, 14 November 2018

TIME: 14h00

VENUE: Die Houthoop Guest Farm

The purpose of inviting the FGM is to present the following:

- background to the proposed project;
- an overview of the Basic Assessments process followed;
- an opportunity to seek clarity and raise comments; and
- an opportunity to liaise with the project team members.

You are also welcome to nominate a colleague to attend the meeting should you not be available to attend.

We look forward to your attendance and comments.

Kind regards

Beste Grondeienaar,

Hierdie e-pos het ten doel om die ondergenoemde datum en tyd met u vas te maak vir ons Fokusgroeptvergadering met u as grondeienaar (bure tot voorgestelde Windplaas Aanlegte studie areas asook die voorgestelde kraglynkorridors)

DATUM: Woensdag, 14 November 2018
TYD: 14H00
PLEK: Houthoop Gastehuis, Kleinsee

'n Formele uitnodiging volg sodra ons koördinate vir Houthoop Gastehuis het.

Dear Landowner,

This e-mail serves to inform you of the Focus Group Meeting that will take place with you as landowner (adjacent landowner to the proposed Wind Farms study sites as well as the proposed power line corridors) on:

DATE: Wednesday, 14 November 2018
TIME: 14h00
VENUE: Houthoop Guest House, Kleinsee

A formal invitation will be send to you as soon as we secured the Guest House's coordinates.

Kind regards,

Rozanne Els

TYD: 10h00
PLEK: Die Houthoop Gasteplaas, Steenvlei 6282, Kleinsee

Hierdie FGV maak deel uit van die Basiese Evalueeringsprosesse (BE's) wat Savannah Environmental vir die bogenoemde projekte onderneem word.

Die doel van hierdie FGV is om:

- 'n kort / opsommende oorsig oor die voorgestelde windplase en roosterkonneksie projekte aan te bied;
- terugvoer te bied oor die sleutel omgewingsbevindinge soos vervat in die Basiese Evalueeringsverslae (BEV's);
- die aanbevole versagende maatreëls soos vervat in die konsep Omgewingsbestuursprogramme (OBP'e);
- aan u die geleentheid te bied om vrae te vra ter verduideliking betreffende die omgewingsbevindinge;
- aan u die geleentheid te bied om enige kommentaar en/or kwelling wat nog nie rakende die voorgestelde windplase en roosterkonneksie projekte geopper is nie, te opper; en
- u kommentaar en/of knelpunte wat by die FGV geopper word, aan te teken.

Om te verseker dat genoegsame sitplek by die lokaal beskikbaar is, versoek ons u vriendelik om die aangehegte Registrasievorm in te vul en dit voor of op **Maandag, 12 November 2018** aan die Openbare Deelnamespan terug te stuur.

Indien u nie die vergadering kan bywoon nie, is u welkom om 'n verteenwoordiger te stuur om die vergadering namens u by te woon.

Ons sien uit na u bywoning en betekenisvolle bydraes.

Vriendelike groete,

Nicolene Venter

Subject: Password request

Hi Rozanne

Would it be possible to supply me with a password to excess your documents on the Zonnequa wind farm? I am a homeowner and resident in Kleinzee and would like to see if there might be a work opportunity from the main contractors. I am a qualified fitter and turner (red seal section 13) with a mechanical/electrical engineering diploma and a national occupational safety and health certificate. I also have extensive experience and knowledge in construction.

Regards,

8 November 2018

Subject: Hyperion Solar Notification of Availability of Scoping Report for public review

Dear Stakeholder,

The development of four (4) separate photovoltaic (PV) solar energy facilities (SEFs) as well as associated infrastructure are being proposed on the Remaining Extent of the Farm Lyndoch 432 situated ~16km north of Kathu in the Northern Cape Province. The proposed SEFs fall within the jurisdiction of the Gamagara Local Municipality and within the greater John Taolo Gaetsewe District Municipality. These facilities will be called Hyperion Solar Development 1, 2, 3 and 4.

As a registered Interested and Affected Party (I&AP), you are hereby notified that the Scoping Report is available for review and comment. The report can be viewed at the Kathu Public Library (1 Hendrik van Eck Road, Kathu, Northern Cape Province) from **Friday, 26 October 2018 to Monday, 26 November 2018**. The report can also be downloaded from the following website: www.savannahsa.com. A password to access the downloads page can be requested from the contact person below.

Please refer to the attached notification letter for further information.

Kind regards,

Rozanne Els

Dear Stakeholder,

A wind farm is proposed to be developed within the Springbok Renewable Energy Development Zone (REDZ), approximately 20 km south-east of the town of Kleinsee in the Northern Cape. The wind farm is known as the **Zonnequa Wind Farm** and is located within the Nama Khoi Local Municipality and the Namakwa District Municipality.

It is Genesis Zonnequa Wind (Pty) Ltd's, the developer, intention to bid the Zonnequa Wind Farm project under the Department of Energy's (DoE) Renewable Energy Independent Power Producer Procurement (REIPPP) Programme. The power generated from the project will be sold to Eskom and will feed into the national electricity grid. The development of the project will also assist with achieving the electricity generation goals as set out in the Integrated Resources Plan.

This e-mail serves to inform you, as a registered Interested and Affected Party (I&AP), that in terms of the National Environmental Management Act (No. 107 of 1998) (NEMA) and the 2014 Environmental Impact Assessment (EIA) Regulations, as amended in April 2017, that the Basic Assessment Report (BAR) is available for your review and comment.

The hard copy of the BAR can be viewed at the Kleinsee Library (3rd Avenue, Kleinsee, open on Tuesdays & Thursdays between 11h00 and 17h00) from **Wednesday, 24 October 2018 to Friday, 23 November 2018**. An electronic copy can be downloaded from our website (<http://www.savannahsa.com/public-documents/energy-generation/zonnequa-wind-farm/>).

Please refer to the attached letter for further details in this regard.

Kind regards,

Nicolene Venter

**BASIESE EVALUERINGSPROSES: NAMAS EN ZONNEQUA WINDPLASE NABY KLEINSEE, NOORD-
KAAPROVINSIE**

• **UITNODIGING NA FOKUSGROEPVERGADERING**

Die doel van hierdie brief is om u vriendelik uit te nooi om 'n Fokusgroepvergadering (FGV) by te woon wat gehou sal word op:

- DATUM:** Woensdag, 14 November 2018
TYD: 10h00
PLEK: Die Houthoop Gasteplaas, Steenvlei 6282, Kleinsee

Hierdie FGV maak deel uit van die Basiese Evalueringsprosesse (BE's) wat Savannah Environmental vir die bogenoemde projekte onderneem word.

Die doel van hierdie FGV is om:

- 'n kort / opsommende oorsig oor die voorgestelde windplase en roosterkonneksie projekte aan te bied;
- terugvoer te bied oor die sleutel omgewingsbevindinge soos vervat in die Basiese Evalueringsverslae (BEV's);
- die aanbevole versagende maatreëls soos vervat in die konsep Omgewingsbestuursprogramme (OBP'e);
- aan u die geleentheid te bied om vrae te vra ter verduideliking betreffende die omgewingsbevindinge;
- aan u die geleentheid te bied om enige kommentaar en/or kwelling wat nog nie rakende die voorgestelde windplase en roosterkonneksie projekte geopper is nie, te opper; en
- u kommentaar en/of knelpunte wat by die FGV geopper word, aan te teken.

Om te verseker dat genoegsame sitplek by die lokaal beskikbaar is, versoek ons u vriendelik om die aangehegte Registrasievorm in te vul en dit voor of op **Maandag, 12 November 2018** aan die Openbare Deelnamespan terug te stuur.

Indien u nie die vergadering kan bywoon nie, is u welkom om 'n verteenwoordiger te stuur om die vergadering namens u by te woon.

Ons sien uit na u bywoning en betekenisvolle bydraes.

Vriendelike groete,

Nicolene Venter

BASIC ASSESSMENT PROCESSES: NAMAS AND ZONNEQUA WIND FARM NEAR KLEINSEE, NORTHERN CAPE PROVINCE

• **INVITATION TO FOCUS GROUP MEETING**

This letter serves to cordially invite you to attend the Focus Group Meeting (FGM) to be held on:

DATE: Wednesday, 14 November 2018
TIME: 10h00
VENUE: The Houthoop Guestfarm, Steenvlei 6282, Kleinsee

The FGM forms part of the Basic Assessment Process being undertaken by Savannah Environmental for the above-mentioned proposed projects.

The purpose of the FGM is to:

- present to you a summary background to the proposed windfarms and grid connections;
- present the key environmental findings as documented in the Basic Assessment Reports (BARs);
- the proposed mitigation measures as documented in the draft Environmental Management Programme (EMPr);
- provide you with an opportunity to raise question regarding the environmental findings;
- provide you an opportunity to raise any additional comments and/or concerns not yet raised; and
- record your comments and/or concerns raised at the FGM.

To ensure that sufficient seating is provided at the venue, we kindly request that you complete the attached Registration Form and return it to the Public Participation team before or on **Monday, 12 November 2018** (end of business day).

Should you not be able to attend the meeting, you are most welcome to extend this invitation to a representative to attend the meeting on your behalf.

We are looking forward to your attendance and a fruitful discussion.

Kind regards,,

Nicolene Venter

SAWEA Award for Leading Environmental Consultant for Wind Projects in 2013 & 2015

8 November 2018

Veronica van Dyk
Tourism / DA Shadow Minister

Per e-pos: houthoop@telkomsa.net

**BASIESE EVALUERINGSPROSES: NAMAS EN ZONNEQUA WINDPLASE NABY KLEINSEE, NOORD-
KAAPROVINSIE**

• **UITNODIGING NA FOKUSGROEPVERGADERING**

Die doel van hierdie brief is om u vriendelik uit te nooi om 'n Fokusgroepvergadering (FGV) by te woon wat gehou sal word op:

- DATUM:** Woensdag, 14 November 2018
TYD: 10h00
PLEK: Die Houthoop Gasteplaas, Steenvlei 6282, Kleinsee

Hierdie FGV maak deel uit van die Basiese Evalueringsprosesse (BE's) wat Savannah Environmental vir die bogenoemde projekte onderneem word.

Die doel van hierdie FGV is om:

- 'n kort / opsommende oorsig oor die voorgestelde windplase en roosterkonneksie projekte aan te bied;
- terugvoer te bied oor die sleutel omgewingsbevindinge soos vervat in die Basiese Evalueringsverslae (BEV's);
- die aanbevole versagtinge maatreëls soos vervat in die konsep Omgewingsbestuursprogramme (OBP'e);
- aan u die geleentheid te bied om vrae te vra ter verduideliking betreffende die omgewingsbevindinge;
- aan u die geleentheid te bied om enige kommentaar en/or kwelling wat nog nie rakende die voorgestelde windplase en roosterkonneksie projekte geopper is nie, te oopper; en
- u kommentaar en/of knelpunte wat by die FGV geopper word, aan te teken.

Om te verseker dat genoegsame sitplek by die lokaal beskikbaar is, versoek ons u vriendelik om die aangehegte Registrasievorm in te vul en dit voor of op **Maandag, 12 November 2018** aan die Openbare Deelnamespan terug te stuur.

Indien u nie die vergadering kan bywoon nie, is u welkom om 'n verteenwoordiger te stuur om die vergadering namens u by te woon.

Ons sien uit na u bywoning en betekenisvolle bydraes.

Vriendelike groete,

Nicolene Venter

Hi Nicolene,
Document is correct except point 5

remove, "in the Kleinzee aeronautical circulation and"
replace with " via the Civil Aviation Authority NOTAMs"

Apology I am unable to edit document

For info a NOTAM(is a notice to airman) consisting of AICs (aeronautical information circular) and AIPs (aeronautical information publication)

Regards
Rodney

Basic Assessments for the proposed Zonnequa Wind Farm developments (DEA Ref.No.: 14/12/126/3/3/1/1970) and Namas Wind Farm development (DEA Ref.No.: (DEA Ref.No.: 14/12/126/3/3/1/1971) and Associated Infrastructures

Good Afternoon Rodney,

Thank you for taking my call this afternoon.

Firstly, thank you for attending our Focus Group Meeting on Wednesday, 14 November 2018 which was held at Houhoop Guest Farm where we presented the above-mentioned proposed projects to the Community Representatives.

This e-mail serves to confirm the information received and shared regarding the Kleinzee Airstrip during our telephone discussion this afternoon:

- The restriction of the airstrip has been lifted and is now operating on a private / public basis;
- Landing fees are still required for the utilisation of the airstrip;
- Your question as to the proximity of the proposed developments to the R355, please be informed that:
 - the north-western corner of the Zonnequa Wind Farm is approximately 20km south of the R355 and approximately 16km south-east of the Kleinzee landing strip (please refer to the attached KMZ file); and
 - the north-western corner of the Namas Wind Farm is approximately 22km south of the R355 and approximately 16.5km south-east of the Kleinzee landing strip (please refer to the attached KMZ file)
- A Vodacom tower is situated in the approach flight path to the Kleinzee landing strip;
- All infrastructures within the approach and take-off paths of the Kleinzee landing strip is communicated to pilots and airstrip users in the Kleinzee Aeronautical Circulation; and
- Taking the location of the two above-mentioned wind farm projects into consideration, Kleinzee Landing Strip Management believes that there will be no significant impact on the Kleinzee landing strip.

We can confirm that aviation warning lights will be fixed on the hub of the wind turbines. More information regarding the aviation warning lights can be obtained from the Environmental Management Programme (EMPr) – Appendix M of the Basic Assessment Reports.

Should you wish to access the Basic Assessment Reports and in particular Appendix M, please do not hesitate to contact us for to obtain a release code for access to the Reports on our website (www.savannahsa.com).

Rodney, it would be appreciated if you can confirm that the above-mentioned summary of our telephone discussion is captured correctly. If not, please do not hesitate to edit the relevant point/s as per your understanding.

Thanking you in advance.

> Subject: FW: NAMAS WIND FARM: NOTIFICATION OF AVAILABILITY OF BASIC ASSESSMENT REPORT FOR REVIEW AND COMMENT
>

Dear Stakeholder,

A wind farm is proposed to be developed within the Springbok Renewable Energy Development Zone (REDZ), approximately 20 km south-east of the town of Kleinsee in the Northern Cape. The wind farm is known as the **Namas Wind Farm** and is located within the Nama Khoi Local Municipality and the Namakwa District Municipality.

It is Genesis Namas Wind (Pty) Ltd, the developer, intention to bid the Namas Wind Farm

Resources Plan.

This e-mail serves to inform you, as a registered Interested and Affected Party (I&AP), that in terms of the National Environmental Management Act (No. 107 of 1998) (NEMA) and the 2014 Environmental Impact Assessment (EIA) Regulations, as amended in April 2017, that the Basic Assessment Report (BAR) is available for your review and comment.

The hard copy of the BAR can be viewed at the Kleinsee Library (3rd Avenue, Kleinsee, open on Tuesdays & Thursdays between 11h00 and 17h00) from **Wednesday, 24 October 2018 to Friday, 23 November 2018**. An electronic copy can be downloaded from our website (<http://www.savannahsa.com/public-documents/energy-generation/namas-wind-farm/>).

Please refer to the attached letter for further details in this regard.

Kind regards,

Nicolene Venter
