Dear Dr. Balie

RE: REQUESTING A MEETING TO DISCUSS A CONSERVATION MANAGEMENT PLAN FOR THE SPECIFICALLY DECLARED SOCIO-HISTORICAL COLLECTION OF THE GENADENDAL MISSION MUSEUM, HOUSED IN THE MISSION MUSEUM, GENADENDAL

This letter has reference to our telephonic conversation held on 4th June 2013.

The South African Heritage Resources Agency (SAHRA) is mandated to manage South African Heritage Resources as prescribed in the National Heritage Resources Act, No. 25 of 1999 (NHRA). Among the functions SAHRA perform, the conservation and preservation of Specifically Declared Collections form an important component of SAHRA's mandate. The Contents of Mission Museum, Genadendal, is a Specifically Declared Collection and as such, SAHRA has budgeted for the development of a Conservation Management Plan (CMP) for the Collection as required by the NHRA, for the 2013/ 2014 financial year.

Based on the above, SAHRA would like to propose a meeting with you to discuss the processes to be followed for the CMP and perhaps also to view the collection. I would like to propose the following dates for our meeting pending your availability:

1. 28th June 2013
2. 8th July 2013

Your prompt response in this regard would be highly appreciated.

Thanking you in advance for your cooperation.

Yours sincerely,

Mr D. SIBAYI
