Project Ref: Gauteng Photography Campaign

Attention: Product Owner

REQUEST FOR PERMISSION TO PHOTOGRAPH AT YOUR PREMISE/SPACE.

The Gauteng Tourism Authority has commissioned a provincial photographic shoot of all our iconic and must-see experiences, products and attractions in the province. These captured shots of the experiences will be used as part of our Destination Promotion and Marketing, and your attraction or product has been identified as one of the key locations in the Cradle of Humankind World Heritage Site (COH WHS) and broader Tourism Catchment Area.

Further note that we are targeting areas or spots which are highly experiential and interactive – where the visitor partakes, is engaged, immersed, etc. Maropeng and Sterkfontein offerings such as the Tumulus Building, Exhibitions, the Caves, Restaurants, Marketplace, Hotel, Scenery e.g. Magaliesberg mountains view from Maropeng, etc will form part of the COH WHS shoot list. The expected crew participating in this project is made up of one Client representative, a Photographer, Stylist, Assistant, 2 -4 models and the equipment. This equipment on set will include the following:

- Canon mark 11 body 1420906691
- 24-105 +28mm lens 3054465
- 100mm lens 84074555
- 70 to 200mm lens The last serial number will be provided later as this lens has been rented out and will be available asap.
- 50mm lens UC0803
- Manfrotto Tripod
- Memory cards 3* 8gig 1 2 gig
- Mac book
- Speedlite 430Ex
- Batteries, charger, card reader. Camera accessories
- Polarizing filter
- Vello wireless remote Az0911
- Camera bag

We will be making a telephonic call to discuss our request further and communicate dates as well as other logistical issues with regards to this photo shoot.

Please do not hesitate to get in touch with us at anytime with any queries and clarifications related to the shoot.

Yours sincerely
