Dear Authorities, Stakeholders & Interested and Affected Parties,

**NOTICE OF EIA PROCESS COMMENCEMENT AND COMMENT PERIOD ON DRAFT SCOPING REPORTS: CDC Coega Proposed 3000 MW Gas to Power Project, Coega SEZ, Eastern Cape
DEFF Reference No: not yet available**

Please find attached the Executive Summaries of the Draft Scoping Reports (DSRs) for the overall proposed CDC Coega 3000 MW Gas to Power Project, Coega SEZ, Eastern Cape, which consists of the following projects, each of which is subject to a separate EIA and application process:

1. Zone 10 South 1000 MW Power Plant;
2. Zone 10 North 1000 MW Power Plant;
3. Zone 13 1000 MW Power Plant;
4. Gas infrastructure.

Application forms for the four projects listed above have been submitted to the National Department of Environment, Forestry and Fisheries (DEFF) for consideration, along with the DSRs, which will be amended in response to the comments received and released as Final Scoping Reports (FSRs) which will be submitted to DEFF for approval.

Comments on the DSRs will assist to ensure that all potential environmental impacts related to the listed activities will be addressed in the Plan of Study for EIA. The complete Draft Scoping Reports can be accessed as in printed form at the Ward 53 Councillor's office in Motherwell, and at SRK's Port Elizabeth office (by appointment). Electronic copies are available for download from SRK Consulting's webpage via the 'Public Documents' link <https://www.srk.com/en/public-documents>, or can be made available from SRK Consulting upon request.

A 30 day comment period is provided as per the legislated timeframes. **Comments should be submitted in writing, clearly indicating which project / report the comment relates to, by 12h00 on 9 November 2020 to:**

Dear Authorities, Stakeholders & Interested and Affected Parties,

**NOTICE OF EIA PROCESS COMMENCEMENT AND COMMENT PERIOD ON DRAFT SCOPING REPORTS: CDC Coega Proposed 3000 MW Gas to Power Project, Coega SEZ, Eastern Cape
DEFF Reference No: not yet available**

Please find attached the Executive Summaries of the Draft Scoping Reports (DSRs) for the overall proposed CDC Coega 3000 MW Gas to Power Project, Coega SEZ, Eastern Cape, which consists of the following projects, each of which is subject to a separate EIA and application process:

1. Zone 10 South 1000 MW Power Plant;
2. Zone 10 North 1000 MW Power Plant;
3. Zone 13 1000 MW Power Plant;
4. Gas infrastructure.

Application forms for the four projects listed above have been submitted to the National Department of Environment, Forestry and Fisheries (DEFF) for consideration, along with the DSRs, which will be amended in response to the comments received and released as Final Scoping Reports (FSRs) which will be submitted to DEFF for approval.

Comments on the DSRs will assist to ensure that all potential environmental impacts related to the listed activities will be addressed in the Plan of Study for EIA. The complete Draft Scoping Reports can be accessed as in printed form at the Ward 53 Councillor's office in Motherwell, and at SRK's Port Elizabeth office (by appointment). Electronic copies are available for download from SRK Consulting's webpage via the 'Public Documents' link <https://www.srk.com/en/public-documents>, or can be made available from SRK Consulting upon request.

A 30 day comment period is provided as per the legislated timeframes. **Comments should be submitted in writing, clearly indicating which project / report the comment relates to, by 12h00 on 9 November 2020 to:**

NOTICE OF EIA PROCESS COMMENCEMENT AND COMMENT PERIOD ON DRAFT SCOPING REPORTS: CDC Coega Proposed 3000 MW Gas to Power Project, Coega SEZ, Eastern Cape
DEFF Reference No: not yet available

Please find attached the Executive Summaries of the Draft Scoping Reports (DSRs) for the overall proposed CDC Coega 3000 MW Gas to Power Project, Coega SEZ, Eastern Cape, which consists of the following projects, each of which is subject to a separate EIA and application process:

1. Zone 10 South 1000 MW Power Plant;
2. Zone 10 North 1000 MW Power Plant;
3. Zone 13 1000 MW Power Plant;
4. Gas infrastructure.

Application forms for the four projects listed above have been submitted to the National Department of Environment, Forestry and Fisheries (DEFF) for consideration, along with the DSRs, which will be amended in response to the comments received and released as Final Scoping Reports (FSRs) which will be submitted to DEFF for approval.

Comments on the DSRs will assist to ensure that all potential environmental impacts related to the listed activities will be addressed in the Plan of Study for EIA. The complete Draft Scoping Reports can be accessed as in printed form at the Ward 53 Councillor's office in Motherwell, and at SRK's Port Elizabeth office (by appointment). Electronic copies are available for download from SRK Consulting's webpage via the 'Public Documents' link <https://www.srk.com/en/public-documents>, or can be made available from SRK Consulting upon request.

A 30 day comment period is provided as per the legislated timeframes. **Comments should be submitted in writing, clearly indicating which project / report the comment relates to, by 12h00 on 9 November 2020 to:**
