

GROUND STOREY PLAN
SCALE 1:100

ERF 176383

All building work to be carried out in compliance with all acts of municipalities and all regulations and by laws of local authorities having jurisdiction. The contractor shall be responsible for obtaining all necessary permits and the contractor indemnifies the employer in this regard. Before making any alterations to the drawings, the contractor shall refer to the architect for the reason for such change and requesting instructions in this regard.

The contractor is to check all dimensions and levels on site before any work is set in hand and to report any discrepancies to the architect for confirmation as soon as possible. The contractor shall be responsible for the accuracy of the dimensions and levels shown on the drawings. The contractor must check all levels and dimensions against the existing structures. Figures and dimensions take preference over scaled dimensions. These drawings are copyright.
