Dear Applicant

Report for the refurbishments of the Caledonian stadium in Pretoria, Gauteng province

1. The above-mentioned application was discussed by the PHRA-G Heritage Impact Assessment (HIA) Committee on Tuesday, 09 April 2019.

2. After reviewing your HIA report, the Committee has made the following recommendations:

- a) Provide proof of the public participation process followed during the survey process. Therefore, proof of site notice/s, newspaper advertisement and public meetings that might have taken place. Please compile a report on any positive and negative comments received during the process.
- b) If there was no public participation process conducted, please do so and provide the PHRA-G with the report after the 30-day comment period. Please do also include the PHRA-G details in the site notices and newspaper advertisement (tebogo.molokomme@gauteng.gov.za).
- c) In addition to that, please do get comments from the Arcadia Shepherds Football Club.
- d) The South African Heritage Resources Authority (SAHRA) also needs to comment on possible archaeological material on the site.

3. The requested information will assist the Committee in making an informed decision.

Kind Regards,

Tebogo Molokomme
