PRESS RELEASE: FOR IMMEDIATE RELEASE: 16 NOVEMBER 2011

The South African Heritage Resources Agency [SAHRA] are delighted to announce that instead of proceeding with the planned appeal process against the decline of the permit for the permanent exportation of Irma Stern's 'Arab Priest', constructive discussions were conducted in SAHRA's offices this morning which resulted in an agreement that the Qatar Museum's Authority (QMA) will now apply for a temporary export permit. The appeal process has been suspended pending the outcome of the temporary permit application. The outcome of the application is expected shortly.
