

2. Motivation for proposed work (Please motivate fully – on a separate sheet if necessary)

The site is going to be used as a paraplegic clinic. It is a ideal location in terms of accomodating such patience; who need a place of tranquility and it is also a therapeutic location. instead of the fast, noisy realm of the city. The alteration on site is to accomodate patience in terms of SANIS 10400. (Disabled persons section.)

1. Detail the alterations/additions/restorations proposed (Briefly outline the proposal)

We are proposing a prosthetic limb consultation clinic. We have renamed previous residential rooms to consultation rooms. The clinic will be run in such a way that the surrounding neighbours are not affected (hence the high walls of the boundaries)
