Dear Sir/Madam

Re.: Application for the Rezoning of the Farm Interpretation Centre 932 JQ, Mogale Local Municipality plus the Basic Heritage Impact Assessment for the proposed upgrades to the Maropeng Interpretive Centre

1. The above-mentioned application (including the electronic Basic Heritage Impact Assessment) was further discussed by the PHRA-G Heritage Impact Assessment (HIA) Committee on Friday, 15 April 2016.

2. After reviewing your report, the following recommendations were made:

- a) The Committee noted that the report identifies more of palaeontological and archaeological material on site earmarked for development.
- b) It was noted that there will be no impact on heritage buildings.
- c) Please note that the South African Heritage Resources Agency (SAHRA) must make comments on this application as it is the responsible authority adjudicating on archaeological matters. Their number is 021 462 4502.
- d) The PHRA-G supports in advance the final decision to be taken by SAHRA.

Kind Regards

Tebogo Molokomme
