

107 ADELAIDE TAMBO ROAD

ERF 2595 DURBAN NORTH

OWNERS MR A & MRS S. NAIDOO

APPLICATION: ALTERATIONS AND ADDITIONS TO STRUCTURE WHICH IS OLDER THAN 60 YEARS.

This house was built in the 1950's, it is same style as most of the other houses in Durban North from the same era. It has not been altered much over the years from the original design.

The same as most of the other houses in the area any Architectural or Historical significance has been lost with the alterations and additions that have been done to this house and many of the others in the area.

The area where this house is situated is starting to become fairly transitional with many of the houses being used for business purposes as the commercial area of Durban North is growing.
