**NOTICE OF AN ENVIRONMENTAL IMPACT ASSESSMENT  
EIA REFERENCE NUMBER DM/0054/2013: PROPOSED EXTENSION  
OF A WAREHOUSE ON THE LIGHT INDUSTRIAL PROPERTY OF  
ERF 31557 PINETOWN LOCATED IN THE SOUTHMEAD INDUSTRIAL  
TOWNSHIP NEAR PINETOWN, ETHEKWINI MUNICIPALITY**  
The EIA applicant and owner, Southmead ( Pty ) Ltd, intend to construct  
an extension of their approved warehouse building on Erf 31557  
Pinetown, which is a levelled industrial platform which is a zoned for that  
purpose. However, this proposed warehouse extension will encroach  
within 32 metres of a wetland area which occurs adjacent to, but not onto,  
Erf 31557.  
The construction of infrastructure or structures covering more than 50  
square metres within 32 metres of a water course or wetland is an activity  
identified under the Environmental Impact Assessment Regulations of  
18 June 2010 as requiring an environmental authorization (permit) before  
construction can commence. These regulations prescribe that a Basic  
Assessment Environmental Impact Assessment (EIA) process must  
be followed for this application. The EIA application has therefore been  
registered with the competent authority, the KwaZulu-Natal Department  
of Agriculture, Environmental Affairs and Rural Development, who have  
provided their EIA reference number DM/0054/2013, to be used in all  
correspondence associated with this application.  
Guy Nicolson of Guy Nicolson Consulting cc has been appointed by  
Southmead (Pty) Ltd as an independent environmental assessment  
practitioner (EAP) to undertake the Environmental Impact  
Assessment procedures for this abovementioned application.  
**Registering as an affected interested and affected party**  
Should you wish to be registered as an interested and affected party  
and/or wish to obtain more information about the proposed development  
in terms of the EIA regulations, please contact Guy Nicolson at Guy  
Nicolson Consulting by Post: 6 Indwa Place Kloof, Fax: 031 7642515  
or Email: guyn@saol.com within 21 days of the publication of this  
advertisement. Email is the preferred form of communication.
