NOTICE OF APPLICATION FOR ENVIRONMENTAL AUTHORISATION, AND WATER USE LICENSE APPLICATION, FOR THE PROPOSED UPGRADE OF D1010 ROAD KM 0.0 – KM 2.3 LOCATED WITHIN ETHEKWINI METROPOLITAN MUNICIPALITY

INVITATION TO REGISTER AS AN INTERESTED & AFFECTED PARTY (I&AP)

Notice is hereby given in terms of the National Environmental Management Act (NEMA (Act 107 of 1998) that the proposed road requires an Environmental Authorisation and Water Use License for the activities described below. In this regard, an application for the above requirements will be submitted to the KZN Department of Economic Development, Tourism and Environmental Affairs (EDTEA) and the Department of Water and Sanitation (DWS) for consideration.

PROJECT DESCRIPTION

The project involves the upgrading of 2.3km of D1010 for the Department of Transport, within ward 100 of the eThekwini municipality. The development corridor is 2.3 km from the start of the district road towards its middle section. There is existing stormwater infrastructure present that will be upgraded.

The coordinates for the proposed development are as follows:

- Starting point: 29° 54'41.90" S; 30° 45'44.89" E
- Ending point: 29° 54'14.53" S; 30° 46'44.77" E

The following activities are triggered in terms of the National Environmental Management Act (1998):

Activity 12 of Listing Notice 1 in terms of the EIA Regulations 2014 (as amended April 2017)

Activity 19 of Listing Notice 1 in terms of the EIA Regulations 2014 (as amended April 2017)

Activity 12 of Listing Notice 3 in terms of the EIA Regulations 2014 (as amended April 2017)

The following activities are triggered in terms of the National Water Act (Act 36 of 1998):

- Section 21 c: Impeding or diverting of the flow of water within a watercourse.
- Section 21 i: Altering of the bed, banks, course or characteristics of a watercourse.

Should you wish to register as an Interested & Affected Party (I&AP) on the proposed project, kindly contact the Environmental Consultant on the details listed below. Please note that the registration process is **14-days** from the date of this notice. The draft BAR with associated documents will be circulated to registered I&Aps for 30 days. For further information with regards to the proposed development and to be registered as an Interested and Affected Party, please send your name and contact information to the Environmental Consultant.

All registered I&APs agree to have their personal information (PI) gathered and stored by Hanslab (Pty) Ltd and have it thereafter be distributed to third parties (competent authorities, stakeholders and other registered I&APs). The competent authority requires this PI as part of the application process. It is further used to communicate updates to registered I&APs. This PI will be stored on our database saved on our secure server.
