#### General Notes:

1. Drawings are for information and permitting purposes only. Construction drawing to be done by appointed contractor.
2. All underground services (whether indicated on this drawing or not) to be confirmed on site before construction may commence.
3. Set-out points as indicated must be confirmed on site and property boundary lines and telecommunication base station position to be set-out by a professional land surveyor.
4. Drawing may not be scaled. All dimensions to be confirmed on site before construction may commence.
