To whom it may concern

REF: SEDINBENG REGIONAL SANITATION PROJECT: REQUEST TO REMOVE AND RE-ERECT BOUNDARY FENCE AT THE BEACONFIELDS CEMETRY.

Dear Sir / Madam

Jorian Construction is the Contractor appointed by Rand Water for the construction of the gravity main to pump station 2. The installation of this bulk sewage pipeline is part of the Sedibeng Regional Sanitation Project. A section of the pipeline runs along the boundary fence of the Beaconfields Cemetery. Due to the size and depth of the trench, and the limited space between to road and fence, it is evident that the boundary fence will be affected. As such we are requesting your office to grant the Contractor permission to remove the fence, safe guard it and then re-erect after the installation of the bulk sewage pipeline is complete.

We understand the heritage concerns regarding the cemetery and measures have been put in place to ensure that we do not damage any graves. A professional archaeologist has been appointed to monitor the removal and re-erection of the fence. In addition, the removal and re-erection of the fence will be done manually to avoid any accidental damage to graves. Please note that the section of fence we intend to remove is situated a substantial distance from any graves and it is anticipated that the exercise will not constitute any threat to the graves (see attached motivation letter and maps). A temporary fence will be erected during the construction activities to further eliminate damage and security issues.

Do not hesitate to contact the undersigned should you require any clarity regarding the matter.

Yours faithfully

Mr James Pollock
PROGRAMME MANAGER
for GIBB (Pty) Ltd

GIBB Holdings Reg: 2002/019792/07
Directors: Mrs N. Magomola (Chairperson), Mr R. Vries, Mr B. Hendricks, Mr M. Mayat, Mr B. Ondego (Kenyan)
GIBB (Pty) Ltd, Reg: 1992/007139/07 is a wholly owned subsidiary of GIBB Holdings.
A list of divisional directors is available from the company secretary.
