Hi June

Nolitha and I are going to WSU next week to discuss space for the Collection as well as the WSU's responsibility to budget for resources to conserve the Collection. We are also going to meet with East London Museum in order to discuss their practical assistance to the WSU staff regarding the conservation assessment and recommendations you have made. We shall report on the outcome of both meetings to Permit Committee when you are present.

Regards  
Regina

Dear Colette:  
I am unable to make the Permit Committee meeting in the morning of the 25 October, and therefore Friday 26th would be better for me. If, however, like Deano, I could be there at around 12:30, I could still make Thursday, but for only half the day.  
Thanks & regards,  
June
