

The land as described will not be accessed before 6:00 in the morning and after 18:00 in the afternoon, unless specifically arranged and agreed with the land owners or his representative as indicated.

Any damages to infrastructure on the property (i.e. gates and fences etc.), caused by SIOC other than as a result of the normal and reasonable exercise of its principal and ancillary rights to prospect, will be repaired/replaced by SIOC. Subject to the aforesaid, where prospecting activities damage or destroy crops or livestock, the land owner will be appropriately compensated at market-related prices as calculated by a model derived by independent agricultural experts on behalf of SIOC.

SIOC will use its reasonable endeavours to conduct its prospecting operations in accordance with Annexure A.
