CONSTRUCTION OF A PUMP STATION AND ASSOCIATED PIPELINE AND TOILETS AT WP 265 EX4, UMLAZI (SAH13/5089)
CONSTRUCTION OF A PUMP STATION AND ASSOCIATED PIPELINE AND TOILETS AT WP 84 V5-6-7, UMLAZI (SAH14/5262)

Dear Ms Bernadet Pawandiwa,

The response received from AMAFA/ KwaZulu-Natal on the 22nd April 2014 abovementioned projects has reference.

Thank you for your prompt response.

As all sites are discussed in detail and decided upon with the community representatives, which includes a walkthrough of all pipelines and ablution sites ensuring no heritage resources will be impacted upon, will a desktop Heritage Impact Assessment be acceptable?

The applicant requests a meeting to be held with AMAFA to discuss the way forward regarding future sanitation projects within the Umlazi area. Please may you indicate your availability for this meeting.

Thank you.

Kind Regards,

Colin Holmes
Lead Environmental Scientist
