

An aerial photograph of a construction site, likely a dam or reservoir, with a black grid overlay. The site features a large body of water in the lower portion, surrounded by earthen embankments and various construction paths. A red line is drawn across the image, highlighting a specific boundary or path. In the center, two coordinate values are displayed: X=72237.6565 and Y=-2866127.5510. The terrain is a mix of green vegetation and brown earth.

X=72237.6565

Y=-2866127.5510
