Dear Anton

**RE: APPOINTMENT LETTER TO UNDERTAKE THE PERMIT APPLICATION FOR REMOVAL OF HUMAN SKELETONS AND SUBSEQUENT HERITAGE IMPACT ASSESSMENT AT LAFARGE OWNED POLOKWANE QUARRY**

This letter serves to confirm and appoint you (Anton Pelser) to investigate the accidental discovery of a number of human skeletons at the Lafarge aggregates quarry near Polokwane. The appointment covers, but not limited to the following activities:

- Application for a Rescue Archaeological Permit from the South African Heritage Resources Agency (SAHRA)
- An Archaeological/Heritage Impact Assessment (AIA/HIA) as a requirement from SAHRA. This is also part of the an instruction issued by the Department of Minerals Resources (DMR) following a site inspection conducted on the 20<sup>th</sup> July 2012
- Any other related assessment and applications as per your detailed proposal dated 28/08/2012

10/07/2012

We hereby grant you permission to collate and assess any available material that could assist in execution of your study and permit application. Furthermore, you are hereby permitted to lodge any applications on behalf of Lafarge as per the requirements stated above.

Please do not hesitate contact myself, Felix Motsiri, National Minerals Manager and/or Ms Melaney Beneke, Polokwane Quarry Manager for any assistance in this regard.

We are looking forward to your professional assistance in this regard.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Felix Motsiri', with a stylized flourish at the end.
