### **Artefacts for temporary export to Toulouse Museum, France, 2013-2014**

This is to certify that permission is granted for Professor John Francis Thackeray to temporarily export ESA and MSA artefacts loaned to him from the archaeological collections curated by the McGregor Museum in Kimberley.

Professor Thackeray is the only applicant for a SAHRA permit for the temporary export of the artefacts in question which will go to the Toulouse Museum in France for the period July 15 2013 to December 31 2014

Yours faithfully
