RE: 17 HOPSON AVENUE

SEE REVISED PLAN.

This application was discussed at a meeting a couple of weeks ago for a new 4 storey residential building. As this interfered with the streetscape, Ros Deveraux advised us to keep the double storey as is and design the four storey towards the rear of the property, therefore we are now resubmitting a revised plan which would not interfere with the streetscape. Can this please be discussed at your next meeting.

Original plan and revised plan attached.
