## NOTICE OF ENVIRONMENTAL AUTHORIZATION APPLICATION: PROPOSED TOWNSHIP ESTABLISHMENT PROJECT FOR SAROVIC INVESTMENTS CC (REF NR: 17/2/3N-419; SMS REF NR: KOR-EMA-13-12-02)

The purpose of this notice is to provide information to Interested and Affected Parties (I&APs) about potential decisions that may affect them and to afford I&APs an opportunity to influence those decisions in the environmental authorisation application process for the proposed Township Establishment Project of Sarovic Investments CC.

### BACKGROUND TO THE PROJECT

The site is located on the remaining extent of Portion 79 of the farm Blesboklaagte 296 JS as well as the remaining extent of Portion 0 of the farm Leeuypoort 283 JS in the Mpumalanga Province. This land is currently zoned for agricultural use. The project involves the establishment of a Mixed Residential Township across two properties. The project will commence in different phases. The development on the remaining extent of Portion 79 of the farm Blesboklaagte 196 JS will occur in four phases, while the development of Portion 0 (remaining extent) of the farm Leeuypoort 283 JS will occur in ten phases. The development will include the provision of bulk services including electricity, water, stormwater and sewage systems and the construction of roads.

### LEGISLATIVE REQUIREMENTS

**Procedure applied to the application**  
As the proposed activities entail the development of new infrastructure, a Scoping and Environmental Impact Assessment (EIA) will be required in compliance with the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA) for the authorisation of listed activities.

### Application submitted to the competent Authority

An application for authorisation in terms of the NEMA, as amended, and the Environmental Impact Assessment Regulations, 2014, for the proposed activities was submitted on 16 February 2015 to the Mpumalanga Department of Agriculture, Rural Development, Land & Environmental Affairs (DARDLEA). The application was accepted by the DARDLEA on 17 February 2015 and subsequently the reference number 17/2/3N-419 was assigned to the application.

### Listed activities applicable to the application.

The listed activities which have been applied for include Listed activities 11, 13, 14, 22, 25, 26 and 28 of GNR 983 Listed activity 6, 15 and 27 of GNR 984 and Listed activities 12 of GNR 985.

### Legislation associated with the application

South African legislation requires that a Scoping and Environmental Impact Assessment Reports and Environmental Management Plan (EMP) be compiled in accordance with the National Environmental Management Act (Act No. 107 of 1998) (NEMA), as amended. The proposed project will also require a water use licence under the National Water Act (Act No. 36 of 1998) (NWA).

In order to do so, Sarovic Investments CC has appointed Shangoni Management Services (Pty) Ltd (Shangoni) as the independent environmental assessment practitioner (EAP) in terms of Regulation 12 of GNR 982, to undertake and manage the processes of applying for the required environmental authorisations. Furthermore, Shangoni meets the requirements set out in Regulation 13 of GNR 982.

### PUBLIC PARTICIPATION

People have a right to be informed about potential decisions that may affect them and to be afforded an opportunity to influence those decisions.

### Register as an I&AP

You may be an I&AP for this proposed project. To register as an I&AP of this project, or to obtain more information or submit comments, please request a Registration Form from Shangoni and return it to the details provided below by no later than

**09 April 2015.**

The development will include the provision of bulk services including electricity, water, stormwater and sewage systems and the construction of roads.

**LEGISLATIVE REQUIREMENTS**

Procedure applied to the application  
As the proposed activities entail the development of new infrastructure, a Scoping and

Environmental Impact Assessment (EIA) will be required in terms of the National Environmental Management Act, 1998 (Act No.107 of 1998) (NEMA) for the authorisation of listed activities contained in GNR 983 of 4 December 2014, GNR 984 of 4 December 2014, and GNR 985 of 4 December 2014 published in terms of Sections 24(2) and 24D of the NEMA.

**Application submitted to the competent Authority**

An application for authorisation in terms of the NEMA, as amended, and the Environmental Impact Assessment Regulations, 2014, for the proposed activities was submitted on 16 February 2015 to the Mpumalanga Department of Agriculture, Rural Development, Land & Environmental Affairs (DARDLEA).

The application was accepted by the DARDLEA on 17 February 2015 and subsequently the reference number 17/2/3N-419 was assigned to the application.

**Listed activities applicable to the application**

The listed activities which have been applied for include Listed activities 11, 13, 14, 22, 25, 26 and 28 of GNR 983, Listed activity 6, 15 and 27 of GNR 984 and Listed activities 12 of GNR 985.

**Legislation associated with the application**

South African legislation requires that an Environmental Impact Assessment and an Environmental Management Plan (EMP) be

compiled in accordance with the National Environmental Management Act (Act No. 107 of 1998) (NEMA), as amended. The proposed project will also require a water use licence under the National Water Act (Act No. 36 of 1998) (NWA).

In order to do so, Sarovic Investments CC has appointed Shangoni Management Services (Pty) Ltd (Shangoni) as the independent environmental assessment practitioner (EAP) in terms of Regulation 12 of GNR 982, to undertake and manage the processes of applying for the required environmental authorisations.
