6 January 2021

Dear Interested and/or Affected Party

AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 19 JULY 2018 FOR THE CONSTRUCTION OF THE 100MW SKEERHOK 2 PHOTOVOLTAIC SOLAR ENERGY FACILITY ON REMAINING EXTENT OF PORTION 9 OF THE FARM GEMSBOK BULT 120 NORTH-EAST OF THE TOWN OF KENHARDT WITHIN THE !KHEIS LOCAL MUNICIPALITY IN THE NORTHERN CAPE PROVINCE.

**Notification of Amendment of the Environmental Authorisation
DEFF Ref: 14/12/16/3/3/2/1034/AM1**

This letter serves to notify all registered Interested and Affected Parties (I&APs) of the Department of Environment, Forestry and Fisheries' (DEFF's) decision in respect of the application for amendment of the Environmental Authorisation (EA) issued on 19 July 2018, for the 100 MW Skeerhok 2 Photovoltaic Solar Energy facility on Remaining Extent of Portion 9 of the Farm Gembok Bult 120 in the !Kheis Local Municipality in the Northern Cape Province. Furthermore, the provisions regarding the submission of appeals that are contained in the National Environmental Management Act (NEMA) (No. 107 of 1998) National Appeal Regulations (2014) are also outlined herein, should an I&AP wish to appeal DEFF's decision.

1. Decision

We wish to inform you that, based on a review of the reasons submitted by juwi Renewable Energies (Pty) Ltd for requesting an amendment to the above-mentioned Environmental Authorisation (EA), that DEFF, in terms of Chapter 5 of the EIA Regulations, 2014, as amended, **has decided to amend the EA dated 19 July 2018**, as follows:

Amendment 1: Amendment to the co-ordinates of the "preferred site" included on page 4 of the EA:

Page 4 of the EA dated 19 July 2018, contains the following table:

Preferred Site	Latitude	Longitude
North-West Corner	29°3'33.55"S	21°22'52.99"E
North-East Corner	29°3'27.54"S	21°23'57.83"E
South-West Corner	29°4'7.80"S	21°22'52.90"E
South-East Corner	29°4'7.59"S	21°23'33.62"E

The co-ordinates of the “preferred site” on page 4 of the EA (in the above table) are different to the co-ordinates of the preferred site provided in the Environmental Impact Assessment (EIA) Report dated March 2018. The co-ordinates of the preferred site provided on page 4 of the EA authorises a smaller site (approximately 178 ha) than what was assessed and would be too small for the authorised 100 MW PV facility, as described and assessed in the EIA process, and authorised in the project description of the EA on pages 3 – 6. In this regard, the EIA Report and EA correctly describe that the PV facility would have a footprint of approximately 300 ha (i.e., up to 250 ha for the PV panel area and associated infrastructure).

The table on page 4 of the EA has been amended by DEFF to:

Preferred Site	Point	Latitude	Longitude
Skeerhok PV 2	A	29°3'31.57”S	21°22'51.46”E
	B	29°4'21.67”S	21°21'54.25”E
	C	29°5'16.88”S	21°22'25.48”E
	D	29°3'22.74”S	21°24'18.27”E

Amendment 2: Amendment to change the name and contact details of the holder of the Environmental Authorisation:

The responsible contact person indicated in the EA dated 19 July 2018 no longer works at juwi renewable Energies (Pty) Ltd. The EA therefore needs to be updated to provide the details of the new contact person for the holder of the EA, i.e., Ms Karen Low.

DEFF has amended the EA from:

“JUWI RENEWABLE ENERGIES (PTY) LTD

(hereafter referred to as the holder of the authorisation)

With the following contact details –

Ms Cleo Forster
 24th Floor metropolitan Centre
 7 Walter Sisulu Avenue
 Foreshore
CAPE TOWN
 8001

Telephone Number: (021) 831 7430
 Cell Phone Number: (079) 892 7977
 Email Address: cleo.forster@juwi.co.za”

To:

“JUWI RENEWABLE ENERGIES (PTY) LTD

(hereafter referred to as the holder of the authorisation)

With the following contact details –

Ms Karen Low
 20th Floor, the Halyard
 4 Christiaan Barnard Street
 Foreshore
CAPE TOWN
 8001

Telephone Number: 021 831 6131
Cell Phone Number: 084 454 9944
Email Address: karen.low@juwi.co.za

Amendment 3: Removal of Condition 32 on page 12 of the EA:

Condition 32 of the EA reads as follows:

“Environmental Authorisation is granted on condition that not more than 6 approved facilities in the project area are awarded preferred bidder status by the Department of Energy (DoE)”.

Condition 32 makes the validity of the EA subject to the selection of no more than six preferred bidders within the project area by the Department of Energy (DoE), in other EAs for PV project clusters within this area. The EAs issued to Gemsbok Solar PV3 (Pty) Ltd (14/12/16/3/3/2/841) and Gemsbok Solar PV5 (Pty) Ltd (14/12/16/3/3/2/843) included the same condition (with exactly the same wording), which was appealed and removed from the EAs following the appeals. Based on the precedent set in the abovementioned cases, the holder of the EA applied for Condition 32 to be removed from their EA.

DEFF has removed Condition 32 from the EA.

Amendment 4: Amendment of project title on Page 1 of the EA:

Page 1 of the EA has been amended from:

“Construction of the 100MW Skeerhok 2 Photovoltaic Solar Energy Facility on Portion 9 of Gemsbok Bult Farm 120 north-east of the town of Kenhardt within the !Kheis Local Municipality in the Northern Cape Province”

To:

“Construction of the 100MW Skeerhok 2 Photovoltaic Solar Energy Facility on Remaining Extent of Portion 9 of the Farm Gemsbok Bult 120 north-east of the town of Kenhardt within the !Kheis Local Municipality in the Northern Cape Province”.

Amendment 5: Amendment of the Location of Activity, on Page 1 of the EA:

Page 1 of the EA has been amended from:

*“Portion 9 of Gemsbok Bult Farm 120
!Kheis Local Municipality;
ZF Mgcawu District Municipality;
Northern Cape Province”*

To:

*“Remaining Extent of Portion 9 of the Farm Gemsbok Bult 120
!Kheis Local Municipality;
ZF Mgcawu District Municipality;
Northern Cape Province”*

Amendment 6: Amendment of the project title on Page 1 of the EA:

Page 1 of the EA has been amended from:

“-for the proposed 100MW Skeerhok 2 Photovoltaic Solar Energy Facility on Portion 9 of Gemsbok Bult Farm 120 north-east of the town of Kenhardt within the !Kheis Local Municipality in the Northern Cape Province, hereafter referred to as “the property”.

To:

“-for the proposed 100MW Skeerhok 2 Photovoltaic Solar Energy Facility on Remaining Extent of Portion 9 of the Farm Gemsbok Bult 120 north-east of the town of Kenhardt within the !Kheis Local Municipality in the Northern Cape Province, hereafter referred to as “the property”.

Reason for Amendment 4,5 and 6: *The property description included in the EA for the project did not correlate entirely with the property description in the title deed for the affected property. In this regard, although the Final EIA Report dated March 2018 and the EA refer to “Portion 9 of the Farm Gemsbok Bult 120”, the Title Deed refers to “Remaining Extent of Portion 9 of the Farm gemsbok Bult 120”. The property description in the EA accordingly needed to be amended to bring it line with the legal property description in the Title Deed.*

DEFF’s amendment to the EA, dated 14 December 2020, is included in Annexure A herewith for your information¹.

2. Right to Appeal

We would like to draw your attention to your right to appeal against the decision to the Minister, in terms of the National Appeal Regulations (2014) (Government Notice No. R993) which prescribes the appeal procedure to be followed. Refer to Annexure B herewith for a copy of the National Appeal Regulations, 2014.

Should any person wish to lodge an appeal, the appellant must submit an appeal to the Appeal Administrator, and a copy of the appeal to the Applicant (i.e. juwi Renewable Energies (Pty) Ltd), any registered Interested and Affected Party, and any Organ of State with interest in the matter within 20 days from the date² that the notification of the decision was sent to the registered I&APs by the Applicant, or the date³ that the notification of the decision was sent to the Applicant by DEFF, whichever is applicable.

Appeals must be submitted in writing in the prescribed form to:

The Director: Appeals and Legal Review of the Department of Environment, Forestry and Fisheries (DEFF) at the below mentioned addresses.

By email: appeals@environment.gov.za;

By hand: Environment House
473 Steve Biko,
Arcadia,
Pretoria,

¹ Note: The amendment decision from DEFF, dated 14 December 2020, must be read in conjunction with the EA dated 19 July 2018, as amendments thereto. A copy of the EA dated 19 July 2018 is available from Nicole Holland of Holland & Associates Environmental Consultants on request.

² This letter, which has been sent to registered I&APs on behalf of the Applicant, serves as notification of DEFF’s decision, and will be emailed and/or posted to I&APs on 6 January 2021.

³ 14 December 2020.

0083; or

By post: Private Bag X447,
Pretoria,
0001

To obtain the prescribed appeal form and for guidance on the submission of appeals, please visit DEFF's website at https://www.environment.gov.za/documents/forms#legal_authorisations or request a copy of the documents at appeals@environment.gov.za.

Should you require any further information or have any queries, please contact the undersigned.

Yours sincerely

NICOLE HOLLAND (Pr. Sci. Nat, EAP)

PER MAIL / EMAIL

Dear Ms Low

AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 19 JULY 2018 FOR THE CONSTRUCTION OF THE 100MW SKEERHOK 2 PHOTOVOLTAIC SOLAR ENERGY FACILITY ON REMAINING EXTENT OF PORTION 9 OF THE FARM GEMSBOK BULT 120 NORTH-EAST OF THE TOWN OF KENHARDT WITHIN THE !KHEIS LOCAL MUNICIPALITY IN THE NORTHERN CAPE PROVINCE

The Environmental Authorisation (EA) issued for the abovementioned application by this Department on 19 July 2018, your application for amendment of the EA received by the Department on 01 December 2020 and the acknowledgement letter dated 10 December 2020, refer.

Based on a review of the reason for requesting an amendment to the above EA, this Department, in terms of Chapter 5 of the Environmental Impact Assessment Regulations, 2014 as amended, has decided to amend the EA dated 19 July 2018 as amended, as follows:

Amendment 1: Amendment to the co-ordinates of the "preferred site" included on page 4 of the EA:

From:

Preferred site	Latitude	Longitude
North-West Corner	29°3'33.55"S	21°22'52.99"E
North-East Corner	29°3'27.54"S	21°23'57.83"E
South-West Corner	29°4'7.80"S	21°22'52.90"E
South-East Corner	29°4'7.59"S	21°23'33.62"E

Is hereby amended to:

Preferred site	Point	Latitude	Longitude
	A	29°3'31.57"S	21°22'51.46"E

Skeerhok PV 2	B	29°4'21.67"S	21°21'54.25"E
	C	29°5'16.88"S	21°22'25.48"E
	D	29°3'22.74"S	21°24'18.27"E

Reason for amendment

The co-ordinates of the "preferred site" on page 4 of the EA are different to the co-ordinates of the preferred site provided in the Environmental Impact Assessment (EIA) Report dated March 2018 (i.e. included in Table 2.1 of the EIA Report dated March 2018). The co-ordinates of the preferred site provided on page 4 of the EA currently authorises a smaller site (approximately 178ha) than what was assessed, and would be too small for the authorised 100MW PV facility, as described and assessed in the EIA process, and authorised in the project description of the EA (on pages 3 – 6 of the EA). In this regard, the EIA Report and EA correctly describe that the PV facility would have a footprint of approximately 300ha (i.e. up to 250ha for the PV Panel area, and associated infrastructure).

Amendment 2: Amendment to the change the name and contact details of the holder of the Environmental Authorisation:

From:

"JUWI RENEWABLE ENERGIES (PTY) LTD.

(hereafter referred to as the holder of the authorisation)

With the following contact details –

Ms Cleo Forster
 24th Floor Metropolitan Centre
 7 Walter Sisulu Avenue
 Foreshore
CAPE TOWN
 8001

Telephone Number: (021) 831 7430
 Cell Phone Number: (079) 892 7977
 Email Address: cleo.forster@juwi.co.za

Is hereby amended to:

"JUWI RENEWABLE ENERGIES (PTY) LTD.

(hereafter referred to as the holder of the authorisation)

With the following contact details –

Ms Karen Low
 20th Floor, the Halyard
 4 Christiaan Barnard Street
 Foreshore
CAPE TOWN
 8001

M.S

Telephone Number: 021 831 6131
Cell Phone Number: 084 454 9944
Email Address: karen.low@juwi.co.za

Reason for amendment

The responsible contact person indicated in the EA no longer works at Juwi Renewable Energies (Pty) Ltd. The EA therefore needs to be updated to provide the details of the new contact person for the holder of the EA, i.e. Ms Karen Low.

Amendment 3: Removal of Condition 32 on page 12 of the EA:

Condition 32 of the EA which reads as follows is hereby removed.

“Environmental Authorisation is granted on condition that not more than 6 approved facilities in the project area are awarded preferred bidder status by the Department of Energy (DoE)”.

Reason for amendment

The Department of Environment, Forestry and Fisheries (DEFF) included condition 32 on the EA, whereby the validity of the EA is made subject to the selection of no more than six preferred bidders within the project area by the Department of Energy (DoE), in other EAs for PV project clusters within this area. For example, the EAs issued to Gemsbok Solar PV3 (Pty) Ltd (14/12/16/3/3/2/841) and Gemsbok Solar PV5 (Pty) Ltd (14/12/16/3/3/2/843) included the same condition (with exactly the same wording), which was appealed and removed from the EAs following the appeals. Based on precedent, the holder of the EA would like Condition 32 removed from their EA.

Amendment 4: Amendment of project title on Page 1 of the EA :

From:

“Construction of the 100MW Skeerhok 2 Photovoltaic Solar Energy Facility on Portion 9 of Gemsbok Bult Farm 120 north-east of the town of Kenhardt within the !Kheis Local Municipality in the Northern Cape Province”

To:

Construction of the 100MW Skeerhok 2 Photovoltaic Solar Energy Facility on Remaining Extent of Portion 9 of the Farm Gemsbok Bult 120 north-east of the town of Kenhardt within the !Kheis Local Municipality in the Northern Cape Province

Amendment 5: Amendment of the “Location of Activity”, on Page 1 of the EA:

From:

“Portion 9 of Gemsbok Bult Farm 120
!Kheis Local Municipality;
ZF Mgcawu District Municipality
Northern Cape Province”

To:

Remaining Extent of Portion 9 of the Farm Gemsbok Bult 120
!Kheis Local Municipality;
ZF Mgcawu District Municipality

DEA Reference: 14/12/16/3/3/2/1034AM1

AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 19 JULY 2018 FOR THE CONSTRUCTION OF THE 100MW SKEERHOK 2 PHOTOVOLTAIC SOLAR ENERGY FACILITY ON REMAINING EXTENT OF PORTION 9 OF THE FARM GEMSBOK BULT 120 NORTH-EAST OF THE TOWN OF KENHARDT WITHIN THE IKHEIS LOCAL MUNICIPALITY IN THE NORTHERN CAPE PROVINCE

Northern Cape Province

Amendment 6: Amendment of project title on Page 1 of the EA :

From:

"- for the proposed 100MW Skeerhok 2 Photovoltaic Solar Energy Facility on Portion 9 of Gemsbok Bult Farm 120 north-east of the town of Kenhardt within the !Kheis Local Municipality in the Northern Cape Province, hereafter referred to as "the property".

To:

"- for the proposed 100MW Skeerhok 2 Photovoltaic Solar Energy Facility on Remaining Extent of Portion 9 of the Farm Gemsbok Bult 120 north-east of the town of Kenhardt within the !Kheis Local Municipality in the Northern Cape Province, hereafter referred to as "the property".

Reason for Amendment 4, 5 and 6:

It has come to the Applicant's attention that the property description included in the EA for the project does not correlate entirely with the property description in the title deed for the affected property. In this regard, although the Final EIA Report dated March 2018 and EA refer to "Portion 9 of the Farm Gemsbok Bult 120", the Title Deed refers to "Remaining Extent of Portion 9 of the Farm Gemsbok Bult 120". The property description in the EA accordingly needs to be amended, to bring it in line with the legal property description in the Title Deed

This proposed amendment letter must be read in conjunction with the EA dated 19 July 2018.

In terms of the Promotion of Administrative Justice Act, 2000 (Act No 3 of 2000), you are entitled to the right to fair, lawful and reasonable administrative action; and to written reasons for administrative action that affects you negatively. Further your attention is drawn to the provisions of the Protection of Personal Information Act, 2013 (Act no. 4 of 2013) which stipulate that the Department should conduct itself in a responsible manner when collecting, processing, storing and sharing an individual or another entity's personal information by holding the Department accountable should the Department abuse or compromise your personal information in any way.

In terms of Regulation 4(2) of the Environmental Impact Assessment Regulations, 2014, as amended (the EIA Regulations), you are instructed to notify all registered interested and affected parties, in writing and within 14 (fourteen) days of the date of the EA, of the Department's as well as the provisions regarding the submission of appeals that are contained in the Regulations.

Your attention is drawn to Chapter 2 of National Environmental Management Act, 1998 (Act No. 107 of 1998) National Appeal Regulations published under Government Notice R993 in Government Gazette No. 38303 dated 08 December 2014 (National Appeal Regulations, 2014), which prescribes the appeal procedure to be followed. Kindly include a copy of this document (National Appeal Regulations, 2014) with the letter of notification to interested and affected parties in this matter.

Should any person wish to lodge an appeal against this decision, he/she must submit the appeal to the appeal administrator, and a copy of the appeal to the applicant, any registered interested and affected party, and any organ of state with interest in the matter within 20 days from the date that the notification of the decision was sent to the registered interested and affected parties by the applicant; or the date that the notification of the decision was sent to the applicant by the Department, whichever is applicable.

Appeals must be submitted in writing in the prescribed form to:

The Director: Appeals and Legal Review of this Department at the below mentioned addresses.

By email: appeals@environment.gov.za;

By hand: Environment House
473 Steve Biko,
Arcadia,
Pretoria,
0083; or

By post: Private Bag X447,
Pretoria,
0001;

Please note that in terms of Section 43(7) of the National Environmental Management Act, Act No. 107 of 1998, as amended, the lodging of an appeal will suspend the environmental authorisation or any provision or condition attached thereto. In the instance where an appeal is lodged, you may not commence with the activity until such time that the appeal is finalised.

To obtain the prescribed appeal form and for guidance on the submission of appeals, please visit the Department's website at https://www.environment.gov.za/documents/forms#legal_authorisations or request a copy of the documents at appeals@environment.gov.za.

Yours faithfully

Mr Sabelo Malaza
Chief Director: Integrated Environmental Authorisations

Annexure 1: Regulations Repealed

CHAPTER 1

INTERPRETATION AND PURPOSE OF REGULATIONS

Interpretation

1. (1) In these Regulations any word or expression to which a meaning has been assigned in the Act, and unless the context requires otherwise—

“appeal administrator” means a holder of an office in the Department or Provincial Department responsible for environmental affairs who administers the appeal on behalf of the appeal authority;

“appeal authority” is the Minister, the MEC or a person delegated the power to decide on appeals by the Minister or MEC, as the case may be;

“appellant” means any person who is entitled to submit an appeal in terms of the legislation referred to in regulation 3(1) of these Regulations;

“decision-maker” means an official who has been delegated the authority to make a decision in terms of the laws referred to in regulation 3(1) of these Regulations;

“applicant” means a person to whom a decision has been issued in terms of the Act or specific environmental management Act;

“independent”, in relation to a person appointed as a member of an appeal panel or a person providing an appeal authority with expert advice as contemplated in regulation 6 of these Regulations, means—

- (a) that such a person has no business, financial, personal or other interest in the appeal in respect of which that person is appointed in terms of these Regulations other than fair remuneration for work performed in connection with that appeal; and
- (b) that there are no circumstances that may compromise the objectivity of that person in performing such work;

“the Act” means the National Environmental Management Act, 1998 (Act No. 107 of 1998).

- (2) When a period of days must be reckoned in terms of these Regulations, the period must be reckoned as from the start of the day following that particular day to the end of the last day of the period, but if the last day of the period falls on a Saturday, Sunday or public holiday, that period must be extended to the end of the next day which is not a Saturday, Sunday or public holiday, and the period of 15 December to 5 January must be excluded from the reckoning of days.
- (3) Where a prescribed timeframe is affected by one or more public holidays, the timeframe must be extended by the number of public holiday days falling within that timeframe.

Purpose of Regulations

2. The purpose of these Regulations is to regulate the procedure contemplated in section 43(4) of the Act relating to the submission, processing and consideration of, a decision on an appeal.

Application of Regulations

3. (1) These Regulations are applicable to an appeal in terms of section 43 of the Act to the Minister or MEC against a decision taken in terms of the:
- (a) Environment Conservation Act, 1989 (Act No. 73 of 1989);
 - (b) National Environmental Management Act, 1998 (Act No. 107 of 1998);
 - (c) National Environmental Management: Biodiversity Act, 2004 (Act No. 10 of 2004);
 - (d) National Environmental Management: Air Quality Act, 2004 (Act No. 39 of 2004); or
 - (e) National Environmental Management: Waste Act, 2008 (Act No. 59 of 2008);

and subordinate legislation made in terms of any of these Acts.

- (2) No appeal is available if the Minister or MEC took the decision himself or herself in his or her capacity as the competent authority, issuing authority or licensing authority.
- (3) An appeal against a decision by an official or municipal manager acting under delegated authority from a metropolitan, district or local municipality must be submitted, processed and considered in terms of section 62 of the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000).

CHAPTER 2

ADMINISTRATION AND PROCESSING OF APPEALS

Appeal submission

4. (1) An appellant must submit the appeal to the appeal administrator, and a copy of the appeal to the applicant, any registered interested and affected party and any organ of state with interest in the matter within 20 days from:

- (a) the date that the notification of the decision for an application for an environmental authorisation or a waste management licence was sent to the registered interested and affected parties by the applicant; or
 - (b) the date that the notification of the decision was sent to the applicant by the competent authority, issuing authority or licensing authority, in the case of decisions other than those referred to in paragraph (a).
- (2) An appeal submission must be—
- (a) submitted in writing in the form obtainable from the appeal administrator; and
 - (b) accompanied by—
 - (i) a statement setting out the grounds of appeal;
 - (ii) supporting documentation which is referred to in the appeal submission; and
 - (iii) a statement, including supporting documentation, by the appellant to confirm compliance with regulation 4(1) of these Regulations.

Responding statement

5. The applicant, the decision-maker, interested and affected parties and organ of state must submit their responding statement, if any, to the appeal authority and the appellant within 20 days from the date of receipt of the appeal submission.

Appeal panel

6. (1) If the appeal authority reasonably believes that expert advice must be sought or that an appeal panel must be appointed, the appeal administrator must source an independent expert or constitute an independent appeal panel, or both, within 10 days from the date of receipt of an instruction from the appeal authority.
- (2) The appeal panel contemplated in subregulation (1) may consist of such number of independent experts and with such expertise as the Appeal Authority may deem necessary under the circumstances;
- (3) The expert or appeal panel must provide advice to the appeal administrator within 10 days from the receipt of an instruction from the appeal administrator.

Recommendations and decisions on appeals

7. (1) The appeal administrator must make a recommendation on the appeal to the appeal authority within 30 days of receipt of the responding statement referred to in regulation 5 of these Regulations, in the event that an independent expert has not been sourced or an independent appeal panel has not been constituted.
- (2) The appeal administrator must make a recommendation on the appeal to the appeal authority within 10 days of receipt of the advice referred to in regulation 6(2) of these Regulations, in the event that an independent expert has been sourced or an independent appeal panel has been constituted.
- (3) The appeal authority must reach a decision on an appeal, and notify the appellant, applicant, and any registered interested and affected party, within 20 days of the recommendation on the appeal by the appeal administrator.
- (4) The decision contemplated in subregulation (3) must contain written reasons for the decision.

Communication

8. (1) A person may deliver documents in terms of these regulations by using one of the delivery methods referred to in section 47D of the Act.
- (2) In order to meet the time periods determined in these regulations, the person referred to in subregulation (1), must also email, fax or hand deliver the document to the recipient, if the document is delivered by ordinary mail or registered mail.

CHAPTER 3

GENERAL MATTERS

Repeal of regulations

9. The regulations mentioned in the Table in Annexure 1 to these Regulations are hereby repealed or amended to the extent set out in the third column of the Table.

Transitional arrangements

10. (1) An appeal lodged prior to the commencement of these Regulations, and which is still pending when these Regulations takes effect, must be finalised in terms of the legislation that applied at the time when the appeal was lodged.
- (2) An appeal lodged after the commencement of the Environmental Impact Assessment Regulations, 2014 must be submitted, processed and considered in terms of these Regulations.

Short title and commencement

11. These Regulations are called the National Appeal Regulations, 2014, and take effect on the date of publication in the *Gazette*.

ANNEXURE 1

REGULATIONS REPEALED		
Date and year of publication	Short title	Extent of repeal
